Reading Revolution

AN INVITATION TO READ WITH THE READING REVOLUTION CLUB!

We are happy to announce that Oak Grove will once again participate in the **Tulare County Office of Education Reading Revolution competition**.

Do you enjoy reading? Do you like trivia games? If you answered "yes" to both questions, then you'd love to be a part of Reading Revolution 2027 at Oak Grove.

Reading Revolution 2027 is a fun, friendly reading competition designed to promote literacy and the joy of reading for students in 4th through 8th grade. The goal is for students to experience a variety of quality literature and non-fiction text, while increasing reading comprehension and promoting collaboration and teamwork.

The club requires a committed student who can meet deadlines, work independently to complete assignments, and can actively listen and contribute with their team to complete a task. During club meetings, students will discuss the books, participate in a variety of activities and practice quizzing each other in preparation for the competition.

If you are interested, **please complete the attached application and return it to Mrs. Patterson by Wednesday, September 30th.** Applications received after this date will not be considered. If you are in 6th grade, you may choose to participate in either the Elementary or Middle School Club. Club sizes are limited; therefore, a selection process might be necessary. **Participants will be selected and notified by Friday, October 9th.** If you have any questions, please contact Mrs. Patterson in the library or at kpatterson@vusd.org
