DESCRIPTION OF EXCELLENCE

We believe that the message of salvation and life in Jesus Christ will transform the lives of our students, our culture, and our world. With this in mind, the Valley Christian High School Bible Department desires to minister to the whole student in each one's journey with God by teaching the truth, loving the individual, and holding students accountable while encouraging and empowering them to be people of influence.

BIBLE DEPARTMENT FACULTY

Our Bible Department faculty includes teachers with master's or doctoral degrees. Many are active in local church ministries.

BIBLE DEPARTMENT DISTINCTIVES

- Bible classes work in coordination with the Spiritual Formation program to support and promote further discipleship opportunities, including spiritual retreats, IMPACT service trips, and school-wide discipleship initiatives.
- Service courses support local outreaches by serving at nearby, underserved elementary schools and ministries addressing food insecurity and the needs of the unhoused.
- All VCHS students complete a minimum 25 hours of community service annually as part of the Bible class curriculum.
- The Bible Department participates in VCHS' Dual Credit Program, which allows students to take specified classes for college credit.

Bible placement is determined by a survey and the Bible department teachers. Students must take Philosophy of Religion/World Religions and one Service Learning Course in their junior or senior years.

This map is a general planning tool, intended to show the course and typical student tracks. Students should consult with their academic counselors and teachers to find the best classes to meet their academic and spiritual goals. Courses offered may vary year to year.
