"Do it heartily as to the Lord." Col. 3:23

"And as for you, brothers and sisters, never tire of doing what is good" (2 Thessalonians 3:13).

DESCRIPTION OF EXCELLENCE

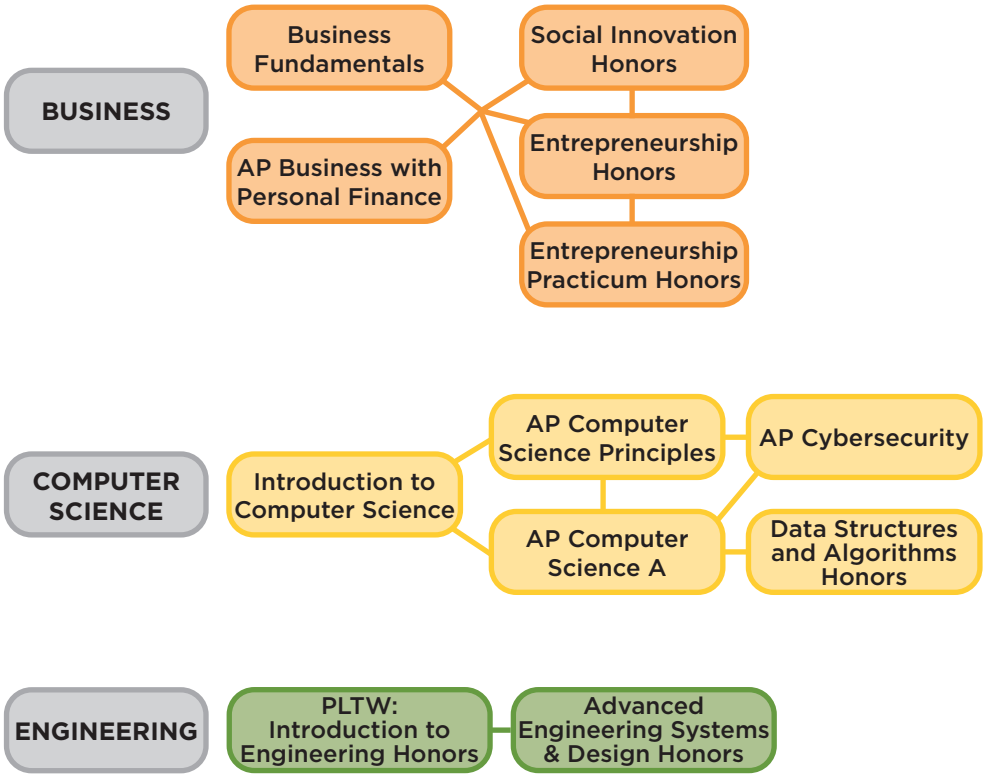

The Business & Technology Department aims to train and equip future generations of leaders through learning opportunities that allow them to lead with purpose, serve with love, and impact in faith.

BUSINESS & TECHNOLOGY DEPARTMENT FACULTY

Our Business & Technology Department includes seven teachers with master's degrees. Most of our faculty come from industry into the classroom, bringing their unique insights to teaching and learning.

BUSINESS & TECHNOLOGY DEPARTMENT DISTINCTIVES

- Learning opportunities help students develop 21st Century Skills: Critical Thinking, Collaboration, Communication, Creative Problem Solving, and Christian Character.
- Engaging in hands-on, real-world projects, students work collectively, in teams, to address problems and work on solutions.
- Bringing industry experience into the classroom, students hear from guest speakers and work with professional mentors.
- The Business & Technology Department participates in VCHS' Dual Credit Program, which allows students to take specified classes for college credit.

BUSINESS & TECHNOLOGY COURSES

This map is a general planning tool, intended to show the course and typical student tracks. Students may deviate from the map and should consult with their academic counselors and teachers to find the best classes to meet their academic and spiritual goals. Courses offered may vary year to year.
