DESCRIPTION OF EXCELLENCE

The Great Commission in Matthew 28:19 tells us to spread the good news of salvation in Jesus Christ to all nations. The World Language Department trains students to become proficient in at least one of five languages other than English. Communication and cultural understanding are essential skills for success in college, career, and ministry and prepare our students to influence the world for Christ.

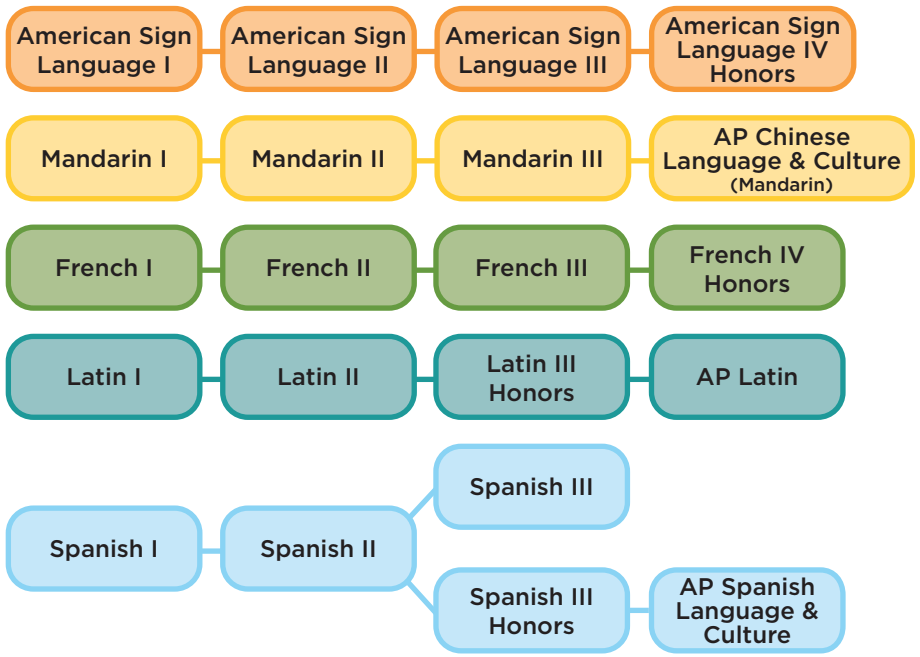

WORLD LANGUAGE DEPARTMENT FACULTY

Our World Language Department faculty includes seven teachers with master's or doctoral degrees. The faculty are native speakers in their own language or have trained in their target-language country. Most have also facilitated missions trips or cultural outreaches to related countries.

WORLD LANGUAGE DEPARTMENT DISTINCTIVES

- Membership in National Honor Societies are available in all five languages. These memberships provide opportunities for scholarships, national contests, awards, networking, and more.
- World language students are encouraged to actively engage in serving our world.
- World Language students are encouraged to actively engage in serving our community and helping celebrate the diverse cultures that make up VCHS. World Language teachers and students actively participate in our 14 cultural clubs, and partner with the Student Life program to help produce the three K-12 cultural events that occur throughout the school year (Carnaval, Lunar New Year, and Desi Dhamaal).
- The World Language Department participates in VCHS's Dual Credit Program, which allows students to take specified classes for college credit.

The Great Commission: ***"Then Jesus came to them and said, 'All authority in heaven and on earth has been given to Me. Therefore go and make disciples of all nations, baptizing them in the name of the Father and the Son and the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age"*** (Matthew 28:18-20).

WORLD LANGUAGE COURSES

World language courses may be taken beginning in grades 9, 10, and 11. Two years of world language are required to graduate from VCHS. VCHS highly recommends at least three years of a world language for eligibility to UC-level colleges and universities.

Placements in sections higher than level 1 are available by testing for students who have prior knowledge of a language.

This map is a general planning tool, intended to show the course and typical student tracks. Students may deviate from the map and should consult with their academic counselors and teachers to find the best classes to meet their academic and spiritual goals. Courses offered may vary year to year.
