The School District may require an employee to furnish a medical certificate from the school health officer or from a qualified physician as evidence of illness or injury, indicating such absence was due to illness, in order to qualify for sick leave pay. However, the final determination as to the eligibility of an employee for sick leave is reserved to the School District.

Subd. 3. Illness of a Child. Sick leave may be used for the illness of an employee's child (includes step-child), subject to the provisions of Minn. Stat. §181.9413.

Subd. 4. Family Illness Leave. Sick leave may be used for serious illness of an employee's spouse or committed partner, adult child, parent, step-parent, sibling, grandparent, grandchild (includes step-grandchild), father-in-law, mother-in-law, son-in-law or daughter-in-law. Employees who exceed 5 days of absence for serious illness in the immediate family may be required to furnish a medical certificate indicating that a member of their family had a serious illness.

Subd. 5. Long Term Disability. Employees eligible for long-term disability will not receive sick leave pay beyond 90 calendar days.

Section 4. Bereavement.

Subd. 1. Up to five (5) days of bereavement leave per incident shall be allowed for death in the employee's immediate family. The immediate family includes: spouse or committed partner, parent, child, grandchild, brother, sister, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, grandparents, spouse's grandparents, uncles, aunts, nephews, nieces,

corresponding step-persons, and persons for whom they are legally responsible to make decisions. All absences for bereavement of immediate family will be deducted from accrued accumulative leave. Employees requesting bereavement leave for persons outside the immediate family may use non-duty days.

Subd. 2. In the sole discretion of the Superintendent, an employee may be granted additional days of bereavement leave in the case of extreme circumstances.

Section 5. Special Leave.

Subd. 1. Special leave, not to exceed two days per year, may be granted to employees of this employee group. Special leave is to be used for personal business that cannot be consummated outside the school day without undue hardship. Special leave is not granted for purposes of recreation, vacation or outside gainful employment except that which is incidental in the pursuit of a school related activity.

Subd. 2. All absences under this section must be approved in advance. Leave used shall be deducted from the employee's accumulative leave.

Subd. 3. Requests for Special Leave shall be made to the Supervisor or building administrator and to the Executive Director of Human Resources with reasonable notice in advance of the anticipated absence.

Subd. 4. Examples of legitimate claims for special leave shall include, but are not limited to the following:

- a) Matters relating to settlement of an estate in which person has legal interest.
- b) Urgent legal matters of the employee or of a member of his/her immediate family that require the employee's attention.
- c) Pallbearer or attendance at funeral services for persons for whom the staff member feels a moral obligation and which is not covered in other leaves of absences.
- d) Weddings in the family or an attendant at a wedding.
- e) Compelling reasons resulting from a natural disaster.
- f) Family crisis not covered by other leaves of absence.
- g) Other emergencies beyond the employee's control.

Section 6. Child Care Leave.

Subd. 1. A childcare leave may be granted by the School District, subject to the provisions of this section. Childcare leave may be granted for the birth or adoption of a child or children, or because of the need to provide parental care for a child or children of the employee for an extended time.

Subd. 2. Written Request. All requests for childcare leave should be submitted in writing sixty (60) days prior to the anticipated commencement of the intended

leave. The request will indicate the proposed commencement and termination dates for the intended leave. In the event of an emergency, the School District has the right to waive or adjust the prior notification requirement.

Subd. 3. Commencement of Leave. Leave under this section shall commence upon home placement of an adopted child or immediately after disability, or at a natural break in the school year prior to the birth or home placement of the child, or at such other date mutually agreed upon between the employee and the School District.

Subd. 4. Duration of Leave. In making a determination concerning the duration of a child care leave, the School District shall not, in any event, be required to:

- a) Grant any leave more than twelve (12) months in duration.
- b) Permit the employee to return to his or her employment prior to the date designated in the request for child care leave except by mutual agreement.

Subd. 5. Unpaid Leave. Leave under this section shall be without pay, however, an employee may use any accrued accumulative leave that is available. Insurance benefits may be continued at the option and expense of the employee.

Subd. 6. Return from Leave. An employee returning from childcare leave shall be returned to his/her previous position or to another comparable position for which he or she is qualified. An employee returning from a child-care leave of less than six months will be returned to his or her previous position.

Section 7. Jury Duty Pay. All employees required to serve on jury duty shall be paid by the School District the difference between their regular pay and jury duty pay. In implementing this section, the School District shall continue to pay the employee the regular rate of pay and the employee shall be obligated upon receipt of the jury duty pay from the governmental agency to immediately remit any witness fees received to the School District less any mileage expenses. Absences under this section shall not be deducted from accumulated leave.

Section 8. Workers' Compensation.

Subd. 1. Upon the request of an employee who is absent from work as a result of a compensable injury under the provisions of the Workers' Compensation Act, the School District shall pay the difference between the compensation received pursuant to the Workers' Compensation Act by the employee and the employee's regular rate of pay, to the extent of the employee's earned accrual of sick leave.

Subd. 2. A deduction shall be made from the employee's accumulated sick leave accrual time according to the pro rata portions of days of sick leave time which is used to supplement Workers' compensation.

Subd. 3. Such payment shall be paid by the School District to the employee only during the period of disability.

Subd. 4. In no event shall the additional compensation paid to the employee by virtue of sick leave result in the payment of a total daily, weekly, or monthly compensation that exceeds the normal compensation of the employee.

Subd. 5. An employee who is absent from work as a result of an injury compensable under the Workers' Compensation Act who elects to receive sick leave pay pursuant to this policy shall work cooperatively with Human Resources to have any paid leave amounts coordinated with any payment from Workers Compensation.

Section 9. Unpaid Leave of Absence. At the sole discretion of the School District, an employee may be granted a leave of absence without pay for purposes not otherwise addressed under this Article. Requests for such leaves shall be submitted in advance of the leave to the Superintendent. The leave request shall include the proposed commencement and termination dates of the leave. An employee returning from a leave of absence under this section for less than ninety (90) days shall be returned to his or her previous position. An employee returning from a leave of absence after more than ninety (90) days shall be returned to his or her previous position or to another comparable position for which he or she is qualified.

Section 10. Application. The parties agree that the applicable periods of probation for employees are intended to be periods of actual service enabling the School District to have the opportunity to evaluate an employee's performance. The parties agree that periods of time for which the employee is on leave under this Article shall not be counted in determining the completion of the probationary period.

Section 11. Retention of Earned Benefits. An employee who returns to work from an unpaid leave within the provisions of this Article shall retain all previous experience credit for pay purposes and any unused leave time accumulated under the provisions of these guidelines at the commencement of the beginning of the leave. The employee shall not accrue additional experience credit for pay purposes or leave time during the period of absence for unpaid leave.

Section 12. School Conferences and School Activities Leave. Minnesota Statute 181.9412 requires an employer to grant an employee leave up to a total of 16 hours during any school year to attend school conferences or classroom activities related to the employee's child ***provided the conferences or classroom activities cannot be scheduled during non-work hours***. The employee must provide reasonable notice, if possible, and make a reasonable effort to schedule the leave so as not to disrupt unduly the operation of the employer. Staff may use paid discretionary leave or vacation leave, or unpaid school activities leave for qualifying absences.

Section 13. Insurance Participation. An employee on unpaid leave is eligible to participate in group insurance programs if permitted under the insurance policy provisions, but shall pay the entire premium for such program as the employee wishes to retain, commencing with the beginning of the unpaid leave. The right to continue participation in such group insurance programs, however, shall terminate if the employee does not return to the School District pursuant to this section.

Section 14. Paid Family and Medical Leave Act Compliance.

The District acknowledges its requirement to comply with the Minnesota Paid Family Leave Act ("PFLA"), Minn. Stat. Ch. 268B, as amended. Consistent with the statute, the currently required employment tax of 0.88 percent shall be shared equally between the Employer and the Employee, with the Employer contributing 50 percent (50%) of the required statutory employment tax and the Employee contributing 50 percent (50%). PFLA leave benefits shall run concurrently with, and not in addition to, any leave benefits provided under the federal Family and Medical Leave Act ("FMLA") or other state law, where applicable. Nothing in this Agreement shall diminish or expand the rights and obligations established by the PFLA or FMLA.

ARTICLE XI – PROBATION, DISCIPLINE AND DISCHARGE

Section 1. Probationary Period. Each new employee shall serve a probationary period of one year of continuous service in the School District, exclusive of leave days under Article X. During the probationary period the School District shall have the unqualified right to discipline or discharge such employee without recourse to the grievance procedure.

Section 2. Completion of Probationary Period. Employees who complete a successful probationary period shall be regarded as regular employees and will be disciplined or discharged only for cause as outlined below.

Section 3. Employee Discipline. After an employee has completed the probationary period, the Employer may discipline or discharge an employee only for just cause. Disciplinary action shall normally include the following actions and will normally be taken in the following order, except in cases of serious misconduct:

1. Oral reprimand
2. Written reprimand
3. Suspension without pay
4. Discharge

Employees who are subject to the above actions shall have the right to union representation, if desired, at any meetings with the district's representative(s).

ARTICLE XII – SENIORITY AND LAYOFF

Section 1. Application. The parties recognize the principle of seniority in the application of this Article, within classification, concerning reduction in force, provided the employee is fully qualified to perform the duties and responsibility of the position. This section shall be applicable in a reduction of hours only if the reduction causes the employee to lose eligibility for benefits under this Agreement.

Section 2. Layoff. In the event of a layoff, an employee losing a position may exercise seniority within classification provided the employee is fully qualified to perform the duties and responsibilities of such position. An employee may not exercise seniority except within their classification in the event of a layoff. The School District shall provide any employee who is to be laid off with two (2) weeks written notice of the proposed layoff.

Section 3. Recall. An employee on layoff shall retain seniority and right to recall within classification in seniority order for vacancies which occur in the School District for a period of eighteen (18) calendar months after the date of layoff, provided the employee is qualified to perform the duties and responsibilities of the position. An employee with recall rights shall maintain a current mailing address on file with the School District and failure to accept recall within ten calendar days shall cause forfeiture of the employee's further recall rights. The School District will not employ a new person in a vacant position as long as an employee on layoff pursuant to this Article is qualified to perform the duties and responsibilities of the position and accepts recall as provided herein.

Section 4. Seniority Date. Employees shall acquire seniority within their classification category upon completion of the probationary period as defined in Article XI hereof, and upon acquiring seniority, the seniority date shall relate back to the first date of continuous service in the School District in a classification covered by this Agreement. If more than one employee commences work on the same date in a classification category, the tie shall be broken by using the last four (4) digits of the employee's social security numbers, recognizing and the employee with the higher number as the most senior.

Section 5. Seniority List. On or about November 1 of each year the School District shall post a seniority list for each job classification. An employee who disagrees with the posted seniority list will have twenty (20) working days from the date of the posting to supply written documentation or other proof to the School District in an effort to resolve any dispute. If the dispute is not resolved within those twenty (20) days, an employee shall have an additional twenty (20) days to challenge their seniority listing through the grievance process. If no challenges are made within twenty (20) days of posting, the seniority list is final. The following classifications shall be recognized for purposes of this Article:

- a. Mental Health Counselors
- b. Chemical Health Counselors

ARTICLE XIII – VACANCIES AND POSTING

Section 1. Postings of Vacancies or New Positions. All vacancies and new positions within the bargaining unit, that are anticipated to be at least 45 consecutive days in duration, will be posted for at least five (5) working days during the school year and ten (10) working days during the summer recess. For purposes of this Article, the term “vacancy” shall mean a position where no employee is holding a claim to the position (i.e., leave of absence), or a current position where an increase in hours will make the position eligible for an increased level of benefits under Article VIII.

Section 2. Application for Vacancies. It is the right of the School District to select the best qualified candidate for an open position. All applications will be considered by the School District and final decision for employment, advancement, transfer or promotion will be made by the School District after considering the qualifications of all applicants. Qualifications of applicants will include background, training, seniority, experience, education and aptitude for the position.

Section 3. Temporary Assignment. The School District may fill a vacancy or new position, temporarily, pending completion of the assignment process.

Section 4. Assignment and Reassignment. The School District maintains its managerial authority with respect to assignment and reassignment to any school or program in the district and may assign staff within job classification so as to best meet the needs of the District. The decision to transfer or reassign staff is not subject to the grievance procedure. Except in the case of an emergency, an employee proposed to be reassigned by the School District will normally be given at least ten (10) working days’ notice of the proposed reassignment.

ARTICLE XIV – WELLNESS PAY / 403B

Section 1. Wellness Pay. Employees shall receive annual wellness pay for all accrued accumulative leave days in excess of sixty (60) days. The school district shall pay out an amount equal to the total number of excess days multiplied by the employee’s daily rate times .6 by August 31st of each year, into the employee’s Minnesota Health Care Savings Plan (MHCSF).

Section 2. 403b Plan.

Subd. 1. Participation. Employees of this employee group shall be eligible to participate in a 403b plan pursuant to Minnesota Statutes §356.24.

Subd. 2. Matching Contribution Plan. For employees who are eligible for benefits under Article VI, Section 2, the School District will match benefit eligible employees’ annual contributions based on their current year of employment in the

School District. The School District matching amount shall not exceed the Annual Maximum Match Amount set forth below:

<u>Years of Service</u>	<u>Maximum Match Amount</u>	
	<u>Annual</u>	<u>Cumulative</u>
One years to Three (3) years	\$1,000	\$ 3,000
Four (4) – Eight (8) years	\$1,500	\$ 7,500
Nine (9) – Thirteen (13) years	\$2,000	\$ 10,000
Fourteen (14) plus years	\$2,500	<u>\$ 29,500</u>
		\$ 50,000

Subd. 3. The maximum career matching contribution by the School District shall be \$50,000.

Subd. 4. A salary reduction authorization agreement must be completed by the eligible employee by September 1 for the employee to participate in the 403b Matching Contribution Plan for that school year.

Subd. 5. The School District shall provide notice to employees when they become eligible for an increased level of matching contribution.

Subd. 6. Employees on unpaid leaves may not participate in the matching program while on leave.

ARTICLE XV – MISCELLANEOUS

Section 1. Medical Examination. An employee whose condition of physical or mental health is thought to be adverse to the welfare of students or other employees may be required to undergo a health examination by a licensed physician at the expense of the School District.

Section 2. Damage Reimbursement. Upon proper documentation, the School District will reimburse employees for expenses incurred in repairing or replacing personal items broken by students while employees are engaged in their required duties during the normal workday (i.e., glasses, hearing aids). The School District reserves the right to place reasonable limits on reimbursements under this paragraph.

Section 3. Mileage Reimbursement. Employees who are authorized to use their own automobile in the performance of their duties will be reimbursed for all authorized travel at the rate established by the School District.

ARTICLE XVI – GRIEVANCE PROCEDURE

Section 1. Grievance Definition. A “grievance” shall mean an allegation by an employee(s) resulting in a dispute or disagreement between the Union and the School District as to the interpretation or application of terms and conditions of employment insofar as such matters are contained in this Agreement.

Section 2. Representative. The Union or School District may be represented during any step of the procedure by any person or agent designated by such party to act on the party’s behalf.

Section 3. Definitions and Interpretations.

Subd. 1. Extension. Time limits specified in this Agreement may be extended by mutual agreement.

Subd. 2. Days. Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays excluding Saturdays and Sundays and legal holidays as designated by state law.

Subd. 3. Computation of Time. In computing any period of time prescribed or allowed by procedures herein, the date of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday, or a legal holiday.

Subd. 4. Filing and Postmark. The filing or service of any notice or document herein shall be timely if it bears a postmark of the United States mail within the time period.

Section 4. Time Limitation and Waiver. Grievances shall not be valid for consideration unless the grievance is submitted in writing to the School District’s designee, setting forth the facts and specific provision(s) of the Agreement allegedly violated and the particular relief sought, within twenty (20) days after the event giving rise to the grievance occurred. Failure to file any grievance within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance. An effort shall first be made to adjust an alleged grievance informally between the employee and the School District’s designee. By written mutual agreement, the parties may waive any step and/or extend any time limits of the grievance procedure.

Section 5. Adjustment of Grievance. The School District and the employee shall attempt to adjust all grievances that may arise during the course of employment of any employee within the School District as follows. All grievances at all levels shall be filed with the Executive Director of Human Resources.

Subd. 1. Informal. The Employee(s) and union will attempt to resolve an alleged grievance with the School District through informal means by meeting with the employee's building administrator within 10 days of the event giving rise to the concern.

Subd. 2. Level I. If the grievance is not resolved through informal discussion, the grievance shall be filed in writing with the Executive Director of Human Resources or designee. The Executive Director may call a meeting within ten (10) days after receiving the written grievance. Following this meeting the Executive Director shall have five (5) days to provide a written decision on the grievance to the parties involved.

Subd. 3. Level II. In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent of Schools, provided such an appeal is made in writing within ten (10) days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or their designee shall meet regarding the grievance within fifteen (15) days after receipt of the appeal. Within ten (10) days after the meeting, the Superintendent or their designee shall issue a decision, in writing, to the parties involved.

Subd. 4. Level III. In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board, provided such an appeal is made in writing within ten (10) days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board, the School District shall hear the grievance within twenty (20) days after the receipt of the appeal. Within twenty (20) days after the meeting the School Board shall issue its decision in writing to the parties involved. At the option of the School Board, a committee or representative(s) of the School District may be designated by the School Board to hear the appeal at this level, and report its findings and recommendations to the School District. The School District shall then render its decision.

Section 6. Denial of Grievance. Failure of the School District or its representative to issue a decision within the time periods provided herein shall constitute a denial of the grievance, and the employee may appeal it to the next level.

Section 7. Arbitration Procedures. In the event that the employee and the School District are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

Subd. 1. Request. A request to submit a grievance to arbitration must be in writing, signed by the aggrieved party or designee, and such request must be filed in the office of the Superintendent within ten (10) days following the decision in Level III of the grievance procedure.

Subd. 2. Prior Procedure Required. No grievance shall be considered by the arbitrator that has not been duly processed in accordance with these grievance procedures and appeal provisions.

Subd. 3. Selection of Arbitrator. Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within ten (10) days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request the Commissioner of the Bureau of Mediation Services to submit a panel of seven arbitrators to the parties, pursuant to PELRA, provided such request is made within twenty (20) days after request for arbitration. The request shall ask that the panel be submitted within ten days after the receipt of said request. Within ten days after receipt of the panel, the parties shall alternately strike names, and the remaining name shall be the arbitrator to hear the grievance. The order of striking will be determined by lot. Failure to agree upon an arbitrator or the failure to request an arbitrator from the Commissioner within the time periods provided herein shall constitute a waiver of the grievance.

Subd. 4. Hearing. The grievance shall be heard by a single arbitrator, and both parties may be represented by such person or persons as they may choose to designate, and the parties shall have the right to a hearing, at which time both parties will have the opportunity to submit evidence, offer testimony and make oral and written arguments relating to the issues before the arbitrator. The proceeding before the arbitrator shall be a hearing de novo.

Subd. 5. Decision. The decision by the arbitrator shall be rendered within thirty (30) days after the close of the hearing. Decisions by the arbitrator in cases properly before them shall be final and binding upon the parties, subject, however, to the limitations of arbitration decisions as provided by the P.E.L.R.A.

Subd. 6. Expenses. Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expense that the party incurs in connection with presenting its case for arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally the fees and expenses of the arbitrator, the cost of the transcript or recording if requested by both parties, and any other expense that the parties mutually agree are necessary for the conduct of the arbitration.

Subd. 7. Jurisdiction. The arbitrator shall have jurisdiction over disputes or disagreements relating to grievances properly before the arbitrator pursuant to the terms of this procedure. The jurisdiction of the arbitrator shall not extend to proposed changes in terms and conditions of employment as defined herein and contained in this written agreement; nor shall an arbitrator have jurisdiction over any grievance which has not been submitted to arbitration in compliance with the terms of the grievance and arbitration as outlined herein; nor shall the jurisdiction

of the arbitrator extend to matters of inherent managerial policy, which shall include but are not limited to such areas of discretion or policy as the functions and programs of the employer, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel. In considering any issue in dispute, in its order the arbitrator shall give due consideration to the statutory rights and obligations of the public school boards to efficiently manage and conduct its operation within the legal limitations surrounding the financing of such operations.

Section 8. Mediation. By written mutual agreement the parties may waive any step or suspend any timeline in order to submit a grievance to mediation by filing a joint petition with the Commissioner of Mediation Services.

Section 9. Election of Remedies and Waiver. A party instituting any action, proceeding, or complaint in a federal or state court of law or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this article. Upon instituting a proceeding in another forum as outlined herein, the employee shall waive the right to initiate a grievance pursuant to this article, or, if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

ARTICLE XVII – DURATION

Section 1. Term and Reopening Negotiations. This Agreement shall remain in full force and effect for a period commencing on July 1, 2025, through June 30, 2027, and thereafter pursuant to the P.E.L.R.A. If either party desires to modify or amend this Agreement commencing at its expiration, it shall give written notice of such intent no later than ninety (90) days prior to said expiration. Unless otherwise mutually agreed, the parties shall not commence negotiations more than ninety (90) days prior to the expiration of this Agreement.

Section 2. Effect. This Agreement constitutes the full and complete Agreement between the School District and the Exclusive Representative representing the employees. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreement, resolutions, practices, School District policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

Section 3. Finality. Any matters relating to the terms and conditions of employment, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement.

Section 4. Severability. The provisions of this Agreement shall be severable, and if any provision thereof or the application of any such provision under any such circumstances is held to be invalid or void, it shall not affect any other provision of this Agreement or the application of any provision thereof.

School Closing Plan • Weather Related E-Learning Days • 2025-2026

In an effort to continue student learning in the event of weather related school closings, St. Cloud Area Schools will continue using E-Learning Days during the 2025-2026 school year for inclement weather day closings pursuant to Minn. Stat. §120A.414 as follows:

Make-Up Plan:

- The first Weather related closing will be a full school closing day;
- The next five weather related closings will generally be E-Learning Days as long as there is no interruption of power and/or internet service that would interfere with distance learning. At the discretion of the Superintendent, a full school closing day may be called instead if the timing or circumstances surrounding the weather event compromises the ability to deliver effective instruction as a E-Learning Day;
- Additional weather related school closing days will be determined by the Superintendent and make-up time for students and/or staff will be determined by the Superintendent in consultation with the School Board.

During a Weather Related E-Learning Day, students and licensed staff will have the following expectations:

Student Expectations

In the event of a cancelled school day that requires an E-Learning Day, families will be informed by an automated message that St. Cloud School District 742 is activating a E-Learning Day at least two hours prior to the start of the regular school day.

Pre-School

Pre-school students will access and complete a series of preassigned learning activities that will be made available to students in home packets or on the ISD 742 website when predicted weather conditions make school closing likely.

K-5 Students

Students in grades K-5 will access assignments on student devices via the Learning Management System (LMS) or complete a series of preassigned learning activities that will be made available to students in home packets or on the ISD 742 website if devices were not sent home with students. Licensed staff will post learning activities to LMS by 9:00 AM on the day of a E-Learning Day.

Secondary Students

Students in grades 6 -12 will access assignments on student devices via the Learning Management System (LMS). Licensed staff will post learning activities on LMS by 10:00 AM on the day of a E-Learning Day.

Licensed staff members will be available during student contact hours to answer student questions and provide guidance via email and the LMS. Accommodations for students who

receive special education and EL services will be provided. If additional accommodations are needed, they can be addressed by teaching staff when the student returns to school.

Licensed Staff Expectations

Licensed staff who are unable to teach on a E-Learning Day due to a discretionary day, illness or medical appointment for themselves or a family member, or other absence reason, must request time off in Skyward and post the learning activities for the day on the Learning Management System (LMS) in lieu of posting sub plans. In addition, staff should email the principal and lead secretary so they are aware the employee will not be available for student or parent contact.

Licensed staff who are on duty during a E-Learning Day must be in service during their regular teacher duty day and will complete the following:

Early Childhood Staff

Early Childhood staff will make a plan for their work on a E-Learning Day with their administrator/supervisor.

K-5 Staff

Licensed staff of students in grades K-5 will post learning activities on LMS by 9:00 AM on the day of a E-Learning Day. Licensed staff must be available during the student contact day by email, school district phone message and/or LMS to answer questions and assist students. Time not engaged in posting lessons or in direct contact with students may be used for planning and preparation time. Each classroom teacher who serves students is responsible for posting lessons, grading, and completing attendance on E-Learning Days.

Secondary Staff

Licensed staff of students in grades 6 -12 will post learning activities on LMS by 10:00 AM on the day of a E-Learning Day. Licensed staff must be available during the student contact day by email, school district phone message and/or LMS to answer questions and assist students. Time not engaged in posting lessons or in direct contact with students may be used for planning and preparation time. Teachers are responsible for completing attendance on E-Learning Days.

Non-Instructional Licensed Staff

Non-Instructional licensed staff (e.g. counselors, school psychologists, social workers, nurses, SLPs, OT/PTs, autism specialists, media specialists, technology integrationists, SEL/Focus teachers, ADSIS teachers, grade level leads, math and literacy specialists, EL coordinators, etc.) will make a plan for their work on a E-Learning Day with their administrator/supervisor.

Part-Time Teaching Staff

Part-time contract teachers will be available during their regularly scheduled duty hours.

All licensed staff are encouraged to also use the work day to make contact home to update families on positive student performance and progress.

Support Staff Expectations

10 Month Support Staff Expectations:

In the event of a E-Learning Day, 10-month Support staff will not report to work on-site and will work as follows:

1. Staff who can work effectively from home may do so with the pre-approval of their supervisor (e.g. clerical, head cooks, BRS, BCSS, BTIs, interpreters, instructional paraeducators, LPNs, mental health support staff, EEOCs, family advocates and deans).
2. Support staff who do not support instruction, whose regular work cannot be performed at home (e.g. bus drivers, nutritional services, transportation paraeducators, door monitors, CSO's), shall receive full pay for the E-Learning Day.

12 Month Support Staff Expectations:

In the event of a E-Learning Day, 12-month Support staff who can report to work safely may do so (e.g. custodians and engineers). 12-month Support staff who can work from home may do so with the approval of their supervisor (e.g. clerical, non-represented 12 month employees). Staff who cannot report and whose work cannot be performed at home, shall receive full pay for the E-Learning Day. Employees who choose not to work from home on a snow or ice closing E-Learning Day, may use accumulative or other paid leave time to make up for any hours lost.

120A.414 E-LEARNING DAYS.

Subd. 1. Days.

"E-learning day" means a school day where a school offers full access to online instruction provided by students' individual teachers due to inclement weather. A school district or charter school that chooses to have e-learning days may have up to five e-learning days in one school year. An e-learning day is counted as a day of instruction and included in the hours of instruction under section 120A.41.

Subd. 2. Plan.

A school board, including the board of a charter school, may adopt an e-learning day plan after consulting meeting and negotiating with the exclusive representative of the teachers. If a charter school's teachers are not represented by an exclusive representative, the charter school may adopt an e-learning day plan after consulting with its teachers. The plan must include accommodations for students without Internet access at home and for digital device access for families without the technology or an insufficient amount of technology for the number of children in the household. A school's e-learning day plan must provide accessible options for students with disabilities under chapter 125A.

Subd. 3. Annual notice.

A school district or charter school must notify parents and students of the e-learning day plan at the beginning of the school year.

Subd. 4. Daily notice.

On an e-learning day declared by the school, a school district or charter school must notify parents and students at least two hours prior to the normal school start time that students need to follow the e-learning day plan for that day.

Subd. 5. Teacher access.

Each student's teacher must be accessible both online and by telephone during normal school hours on an e-learning day to assist students and parents.

Subd. 6. Other school personnel.

A school district or charter school that declares an e-learning day must continue to pay the full wages for scheduled work hours and benefits of all school employees for the duration of the e-learning period. During the e-learning period, school employees must be allowed to work from home to the extent practicable, be assigned to work in an alternative location, or be retained on an on-call basis for any potential need.

Earned sick and safe time employee notice

Employees in Minnesota are entitled to earned sick and safe time, a form of paid leave. Employees must accrue at least one hour of earned sick and safe time for every 30 hours they work, up to at least 48 hours in a year. A year for purposes of the employee's earned sick and safe time accrual is July 1st to June 30th.

At the end of each pay period, employers must provide employees with the number of earned sick and safe time hours used by the employee during the pay period and available for future use. Earned sick and safe time must be paid at the same base rate employees earn from employment. Employees are not required to seek or find a replacement for their shift to use earned sick and safe time. They may use earned sick and safe time for all or part of a shift, depending on their need.

Earned sick and safe time can be used for:

- an employee's mental or physical illness, treatment or preventive care;
- the mental or physical illness, treatment or preventive care of an employee's family member;
- absence due to domestic abuse, sexual assault or stalking of an employee or their family member;
- closure of an employee's workplace due to weather or public emergency or closure of their family member's school or care facility due to weather or public emergency; and
- when determined by a health authority or health care professional that an employee or their family member is at risk of infecting others with a communicable disease.
- to make arrangements for or attend funeral services or a memorial or address financial or legal matters that arise after the death of a family member.

Notifying employer, documentation

An employer can require their employees to provide up to seven days of advance notice when possible (for example, when an employee has a medical appointment scheduled in advance) before using sick and safe time. An employer can also require their employees to provide certain documentation regarding the reason for their use of earned sick and safe time if they use it for more than two consecutive scheduled workdays.

If an employee plans to use earned sick and safe time for an appointment, preventive care or another permissible reason they know of in advance, inform their supervisor far in advance as possible following contract guidelines. In situations where an employee cannot provide advance notice, the employee should contact their supervisor as soon as they know they will be unable to work.

Retaliation, right to file complaint

It is against the law for an employer to retaliate, or to take negative action, against an employee for using or requesting earned sick and safe time or otherwise exercising their earned sick and safe time rights under the law. If an employee believes they have been retaliated against or improperly denied earned sick and safe time, they can file a complaint with the Minnesota Department of Labor and Industry. They can also file a civil action in court for earned sick and safe time violations.

Am I covered by Paid Leave?

Most workers in Minnesota are covered by Paid Leave. You are covered no matter the size of your employer, or the hours or days you work. Independent contractors and self-employed individuals are not automatically covered but may opt in. You may qualify for payments if you've been paid a minimum amount for work in Minnesota in the last year (\$3,900 for the start of Paid Leave in 2026).

How long can I take leave?

You may qualify to take up to 12 weeks of family or medical leave per benefit year. If you need both family and medical leave in the same benefit year, you may qualify for up to 20 weeks in total.

How much will I get paid?

When you use Paid Leave, the state makes payments to you. Paid Leave will pay up to 90% of your wages, based on your income level, with a maximum weekly amount set at the state's average weekly wage. This amount changes each year, and is \$1,423 for the start of Paid Leave in 2026.

Who pays for Paid Leave?

Paid Leave is funded by premiums paid by employees and employers. The initial premium rate is 0.88% of covered wages. Your employer may deduct up to 0.44% of your wages to fund your portion of the premium.

What are my employment protections?

- **Job protections:** Generally, you must be restored to your job or an equivalent position when returning from leave. Job protections take effect 90 days after your date of hire.
- **Health insurance continuation:** Generally, employers must continue to fund their portion of healthcare insurance premiums while you are on leave.
- **No retaliation or interference:** Employers must not interfere with or retaliate against you if you apply for or use Paid Leave. Employers cannot take your Paid Leave payments.
