

2027 AP EXAM REGISTRATION AND INFORMATION

The window to register and pay for the 2027 AP Exams is October 2 through 23. A teacher or counselor will be sharing registration instructions with all South AP classes on Friday, October 2, and providing each student with a handout outlining the same. This information is also available on the South website at south.asdk12.org.

The AP Test Fee is \$105 per exam. Please note that once payment has been made, there will be no refunds.

Please refer to College Board's website or [AP Info for parents](#) for any AP-related information. Additionally, all AP exams in 2027 have a [digital component](#), and students will test on Chromebooks provided on the days of testing.

It is the student's responsibility to ensure he/she has completed all the steps by October 23. Any request to order an exam after this date will incur a late fee of an additional \$50 (totaling \$155 per exam).

AP EXAM REGISTRATION 26/27

5/14		Psych

*Art & Design submissions due
**World Lang PPR submissions due 4/30

Registration for AP exams is a three-step process.
You must do all three steps to complete your registration.
(College Board automatically sets your exam choice to "YES," but this does NOT mean you are registered.)

1 JOIN AP CLASSROOM:

- Go to myap.collegeboard.org to log in or create an account. Click "Join a Course" and enter the Join Code from your teacher.
- If you have any problems (locked out, don't remember the email you used for your account, etc.), you must call College Board at 888-225-5427. Your teacher/counselor cannot do this for you.

2 PAY FOR YOUR EXAM(S):

- Pay for "AP TEST FEE" through Parent Connect
- \$105 per exam

3 COMPLETE YOUR REGISTRATION:

- Use this QR code to register for your specific exam(s).

THE AP EXAM REGISTRATION WINDOW IS 10/2 THROUGH 10/23, AND THERE WILL BE NO EXTENSION OR EXCEPTIONS!
***** REGISTER ON TIME.*****

THERE ARE NO REFUNDS ONCE YOU HAVE PAID.

Thank you for participating in the AP registration process. Please note that your AP score(s) will be determined in part by following these instructions. If you miss a step or do the steps out of order, our specialized score decider(s) will automatically lower your AP exam score(s) by 1-2 points. Also, the dinosaur who lives in the QR code will eat all of your AP homework. No joke.*

*Totally a joke. Just follow the instructions, please.

Registration for AP exams is a three-step process. We cannot order your student an exam if any of the steps is missing (see instructions at left):

1. Students must **JOIN** their AP Classrooms using a join code from their teacher.
2. **PAYMENT** must be made online through Parent Connect. ([Q payment instructions](#))
3. After payment has been made, the student must use the **QR code** from their handout (also at left) to request the specific exam(s) for which they've paid.

If your South student is taking an AP course through AK Choice and wants to take the AP exam with South, he/she MUST use the following exam-only Join Codes to start the registration process. We cannot order an exam for you if you do not use these Join Codes in your MyAP account, pay for your exams, and register.

Thank you,

Debbie Barker
AP Testing Coordinator
