Luisa Rodriguez, MBA
Assistant Business Administrator/Assistant Board Secretary

Dear Mount Olive Township School District Community,

Welcome back to the 2026-27 school year! I hope your family enjoyed a wonderful summer filled with time to relax, recharge, and spend time together.

This summer, our nation marked 250 years since the Declaration of Independence. Anniversaries like this invite us to reflect on where we have been while also giving us a reason to look ahead and think about what comes next.

For me, this anniversary carries special meaning as an educator. The students walking through our doors this September will become the leaders, educators, artists, entrepreneurs, parents, neighbors, and citizens who shape our communities for generations to come. Our schools play an important role in preparing them for that future.

As we begin this school year, our commitment is clear. We want every student to grow, to be challenged, to feel supported, and to have opportunities to develop their individual strengths. Academic achievement matters, along with curiosity, resilience, creativity, kindness, responsibility, and the ability to work with others.

Over the past 250 years, our country has changed in countless ways, yet education continues to serve a central purpose by preparing each new generation to contribute, lead, solve problems, support others, and take responsibility for what comes next. That work happens here in Mount Olive every day, and it is a responsibility we take seriously.

I look forward to welcoming our students and families back and seeing what we accomplish together throughout the year. Thank you for your continued partnership, support, and trust in the Mount Olive Township School District. Here's to honoring where we have been, appreciating where we are, and preparing our students to shape what comes next.

Please be advised that students will return to school on Wednesday, September 2. September 2 through September 4 will be shortened days for students. Schools will be closed on Monday, September 7, in observance of Labor Day. Principals will provide additional details specific to their schools in separate communications.

Wishing all of our students, families, and staff a wonderful start to the 2026-27 school year!

Warm Regards,

Dr. Sumit Bangia
