Community Linkage Meeting

Community Connection Events
Date: September 25, 2026
Location: Hope Family Resource Center
Representative: Board of Education Director Luz Molina-Aguayo

Meeting Highlights:

Director Molina: Shared how Adams 14's electric buses and solar investments support cleaner air, sustainability, and a healthier future for students and families.

Former Council Member Jennifer Allen Thomas: Highlighted the importance of community involvement and shared resources that help families make informed and safe healthcare decisions.

Phil Doe: Discussed air quality and public health concerns related to oil and gas activity, highlighting the importance of protecting students, schools, and the surrounding community.
