Parent/Teacher Conferences

We look forward to reviewing your child's progress at conferences on Thursday and Friday, **October 8th and 9th**. It is a privilege to work together with you! The conference sign-ups have been sent out from your teachers. These conferences are mandatory so please find a time that works for you.

Zoo Safari

We will be having our zoo safari on **October 19th** during our Science time in class. This is a chance for the zoo to pre-teach us about what we will be seeing during our field trip on Thursday the **22nd**. No volunteers are needed during this event but be sure you ask your child about all they learned!

Cheyenne Mountain Zoo Field Trip

You will be getting an email from your teacher about volunteer opportunities and more information soon! This field trip will enhance the understanding of our Life Cycles unit we've been teaching during science.
