

Verona Area First Five Years
SUPPORTING ALL FAMILIES EVERY STEP OF THE WAY

2026-27 Verona Area School District **Developmental Screenings**

Available for 3-5 year olds in speech/language, motor, basic concepts, and social/emotional skills

At least two VAFFY professionals, including a psychologist and speech & language and/or early childhood teacher will be on team

Includes:

- ★ Phone interview to complete developmental history
- ★ Developmental checklists completed by parents and other caregivers if relevant
- ★ Contacts with outside care providers, pre-school settings, if applicable
- ★ Observations of child in natural environment (childcare setting or playgroup or home)
- ★ Follow up with family regarding suggestions for next steps and sharing of resources

Please reach out with any questions or to schedule a screening appointment.
