HOW TO FIND A NETWORK PROVIDER

- Visit the ADN website: adndental.com
- Select **Provider Search**
- Enter *your* group number
- Select the provider's specialty from drop down menu
- Choose your search location:
Select "No" and enter a city **or** ZIP code; or Select "Yes" to allow the system to access your current location.
- Enter the desired search distance and select "Search"

*****Important Network Information**

Providers listed in the search results may participate in the ADN PPO Network, Dentemax Network, or both.

If you are unsure whether your plan allows you to use the Dentemax Network, please check with your benefits representative, or contact ADN using the telephone number provided above and have your Group Number available.

Please Note: Dentemax is a national network and may be utilized outside of Michigan.
