Academic Program

INTERNATIONAL BACCALAUREATE (IB) AT MEADOWRIDGE

We are an official IB Continuum World School, offering the Primary Years Programme (PYP), Middle Years Programme (MYP) and Diploma Programme (DP). **Students are unable to advance in their courses beyond their grade level, regardless of their academic achievements.**

FACULTY

Over 40% of our IB Diploma faculty are involved in IB leadership roles: workshop leaders, examiners, field representatives, site visitors, and consultants. Over 60% of Meadowridge teaching staff hold advanced degrees.

ACT/SAT TEST RESULTS

Only students interested in applying to university in the United States write the ACT or SAT, thus summative statistics are not generated. Meadowridge is an authorized pSAT and SAT testing center.

ACADEMIC PROGRAM IN GRADES 9 AND 10

Students in grades 9 and 10 are enrolled in the IB Middle Years Programme. Students take courses from all MYP categories and choose their Language Acquisition and Arts courses. Mathematics and Sciences courses are both comprehensive and do not offer specialization until DP. The Class of 2027 did not have access to elective courses.

ACADEMIC PROGRAM IN GRADES 11 AND 12

Meadowridge began offering the DP in 2012, making the Class of 2026 the thirteenth cohort to graduate from our school with the IB Diploma.

The two-year DP begins in Grade 11. Based on academic suitability or demands of external commitments, **our students may complete the full Diploma Programme or IB Course Certificates.** Concurrently, each student is earning the Provincial Dogwood Diploma, the high school graduation certificate issued by the BC Ministry of Education.

In Grade 11, all Meadowridge students meet the BC Ministry of Education's Indigenous-focused course requirement through our Contemporary Indigenous Studies (CIS) course.

Students enrolled in the IB Certificate Programme are not required to complete the Extended Essay (EE) or Creativity, Activity, and Service (CAS) requirements, but may opt to do so. However Meadowridge requires all students, regardless of programme, to complete the Theory of Knowledge course. **Meadowridge does not allow students to take more than three Higher Level (HL) courses. IB Certificate students are capped at two HL courses.**

OTHER IB DP COURSE OPTIONS

Meadowridge supports students in taking online IB courses through Pamoja if a course is not offered at our school. Students are also allowed to study their first language by taking a School Supported Self-Taught (SSST) language course. Courses offered through Pamoja and SSST are full IB courses and embody the full rigour of the Programme.

GRADING POLICIES

The BC Ministry of Education requires 80 credits between Grades 10 to 12 to graduate. The majority of our students earn over 114. If a provincial course is retaken, the highest grade achieved is credited. This policy is mandated by the BC Ministry of Education and is not at the discretion of the school. Due to the rigour of the IB programme, **Meadowridge does not rank students or calculate GPA.**

All Grade 11 and 12 courses are full-year. Students receive two transcripts: a BC Dogwood transcript with percentage grades and an IB Predicted Grades transcript. The latter includes their IB courses, and a total IB composite score if they are pursuing the IB Diploma. In Grade 12, students receive IB predicted grades in late November and again at the end of January, after their mock IB exam. Predicted grades are also collected on an as-needed basis for early applications to the UK and US.

Academic performance from Grades 10 to 12 is evaluated according to the grading scale established by the BC Ministry of Education.

Honours and Awards

Honours and awards are not a strong part of the culture at Meadowridge School, and thus opportunities for students in this area are limited. The only academic awards available are the Top Academic Award at the end of grades 10 to 12. There are limited non-academic awards available in grades 9 to 12.

Beyond identifying a singular recipient, Meadowridge identifies with the philosophy of criterion-based awards. For this reason, all high school students may work towards earning Honour Roll, Gryphon Pin, or the Duke of Edinburgh Award levels.

HONOUR ROLL

Students may earn Honour Roll or Honour Roll with Distinction. The requirements for each vary by grade level. In 2026, 89% of high school students earned one of these two Honour Roll distinctions.

GRYPHON PIN

Meadowridge has an internal recognition system that promotes service, extra-curricular involvement, and high academic standards. This award is available at the Bronze, Silver, Gold, and Platinum levels. In 2026, 76% of high school students earned this distinction.

Student life

Meadowridge believes that the inclusion of the arts, service, and athletics plays an integral role in a liberal arts education. We offer a wide variety of teams and clubs to meet the needs of our students. Up to and including Grade 10, students are provided with a weekly CAS block for this purpose and are encouraged to choose different activities each trimester.

Once in the DP, students pursue interests outside of the regular timetable and are required to complete a CAS Project as part of the IB Diploma. Most of our graduates exceed the minimum expectation in their extracurricular activities.

Student Council is a competitive extracurricular at Meadowridge and requires an extensive application process. Students may be selected to sit on the Executive or one of the associated committees.

All students at Meadowridge are supported in the attainment of the Duke of Edinburgh Award. Students in Grade 9 participate in the Adventurous Journey component of the Bronze level through our Outdoor Experiential and Ecological Education (OE3) program.
