

ANNUAL REPORT TO DONORS

2025-2026

Campaign Edition

Annual Fund Impact

By contributing to our operating budget, the Annual Fund provides funding for the full scope of a Woodland education for every student.

Total Raised: **\$1,083,820** (A new record!)

Employee, Trustee, Ambassador Participation: **100%**

Parent Participation: **97%** (A new record!)

- ❖ 4 Outdoor Ed Trips
- ❖ 20 Athletics Teams
- ❖ 125 Student Athletes
- ❖ 23 Field trips

- ❖ 32 Middle School Electives
- ❖ 20 Your Voice, Your Choice Clubs
- ❖ 7,833 Books checked out of the library
- ❖ 3,500 Art projects completed
- ❖ 4,285 Professional development hours

- ❖ 50+ Students participated in the Middle School Musical
- ❖ 900+ Lunches for Samaritan House
- ❖ 100+ Participants in Math Festival
- ❖ 7 House Activities
- ❖ Over 1,000 ladybugs and 200 praying mantises released in the Wonder Cove

Head of School and Board Chair Letter

As we reflect on another extraordinary year at Woodland, we are filled with gratitude for the generosity, partnership, and spirit that continue to strengthen our community. This year marks a particularly significant milestone in the life of the school: the successful completion of the Enduring Excellence Campaign.

Jennifer Warren, Head of School

The campaign was designed to advance our strategic plan, *Inspired Voice: Meaningful Impact*. The completion of this multi-year effort fortifies Woodland's long-term financial foundation; most notably, the collective support of our extended community has fueled our school's inaugural endowment. This permanent investment fund ensures we can continually attract, retain, and support the exceptional educators who define the Woodland experience.

Together, our community rallied across every giving opportunity this year to support the full scope of our first comprehensive campaign, funding the inaugural endowment and also supporting:

The Annual Fund: As the foundation of giving at Woodland, the Annual Fund directly supports our day-to-day operating budget, exceptional teaching, and innovative programs. This year, the 2025 Annual Fund raised a record-breaking \$1.08 million—the most successful annual campaign in school history—with an incredible 97% parent participation rate.

Gala & Auction: Thanks to the generosity of over 200 attendees, sponsors, and volunteers, the event raised more than \$200,000, with all proceeds directly benefiting the inaugural endowment. Beyond the fundraising success, the evening was a joyful reflection of the vibrant and connected community that makes Woodland so special.

8th Grade Graduation Gift: Establishing a powerful new tradition, 26 of our 8th-grade families came together to honor the Class of '26. Their collective generosity met our participation goal, unlocked a \$25,000 challenge match, and contributed well over six figures to the endowment that supports the faculty who prepare our graduates for high school every year.

Mike Mastrandrea, Board Chair, and family

On behalf of the Board of Trustees, the Campaign Cabinet, and Woodland's leadership team, thank you. Every contribution, whether through philanthropy, volunteerism, or community engagement, helps create an environment where our students thrive. Because of you, we have built tremendous momentum and a more resilient financial foundation than ever before.

With deepest gratitude,

Jennifer Warren, Ed.D.
Head of School

Mike Mastrandrea
Board Chair

Treasurer Letter

As Treasurer of Woodland's Board of Trustees, I am pleased to share this Annual Report and reflect on a year of strong financial stewardship, strategic progress, and extraordinary community support.

Woodland's financial position remains healthy, thanks in large part to robust operating revenue driven by strong enrollment and the continued confidence families place in our school. Thanks to solid fiscal management by the administration, Woodland once again ended the year cash positive. This was accomplished while continuing to advance key strategic initiatives and invest in deferred maintenance projects including painting the campus, resurfacing the parking lot, and allowing the lower portable classrooms to tap into the electricity from Woodland's rooftop solar panels.

This year also marked a significant milestone with the successful completion of the Enduring Excellence Campaign. Thanks to the generosity of parents, faculty, staff, current and former trustees, alumni families, and grandparents, we exceeded the \$8 million campaign goal. We are deeply grateful to the many donors whose vision and commitment made this achievement possible.

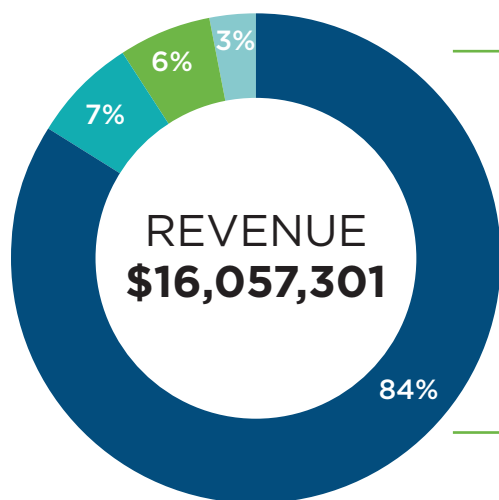

A key campaign objective was establishing Woodland's inaugural endowment. As Woodland's endowment grows, the Board of Trustees has taken important steps to ensure its thoughtful management. An Investment Committee works directly with the Finance Committee of the Board to oversee the stewardship of endowed assets. Together, the Investment Committee and the Board identified an asset allocation designed to preserve capital and achieve a 5-7% target rate of return annually. This framework is utilized to guide investment decisions, manage risk appropriately, and support the long-term sustainability of the endowment.

While endowment building is a long-term endeavor, we are encouraged by early indicators of success. The endowment balance of \$1.68M at the beginning of the fiscal year increased to \$2.87M at year's end based on a combination of pledge payments, new donations, market growth, and challenge funds captured. This fund is a powerful reminder that the generosity of today's supporters helps ensure future generations of Woodland students and teachers thrive.

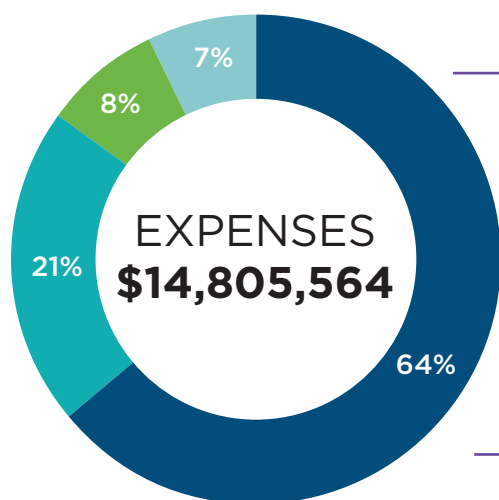

The success of our inaugural endowment, alongside our record-breaking Annual Fund, outstanding Gala & Auction, and robust operating performance highlights our shared commitment to both Woodland's day-to-day excellence and long-term vision. On behalf of the Board of Trustees, thank you for the trust and partnership that allow us to maintain this strong fiscal foundation and build a resilient, sustainable future for our school and students.

With gratitude,
Federico Acabbi
Finance Committee Chair

ENDOWMENT

Woodland's inaugural endowment, and the distributions it provides in perpetuity, is designed to ensure Woodland remains competitive, our teachers have the compensation they deserve, and students are supported by top educators who help them flourish. With its enduring nature, an endowment is the optimal way to finance sustained investments in Woodland's human capital and other priorities that arise over time. The overall goal is to provide long term sustainability for the school.

Endowment market value 6/30/2025	\$1,068,613
Endowment activity 7/1/2025 - 6/30/2026	
Contributions	\$1,714,215
Earnings	\$95,273
Distributions	(\$5,000)
Endowment market value 6/30/2026	\$2,873,101

Unaudited financials.

Thank You Volunteers!

Thank you for your many, many hours
 in meetings, planning events,
 working events, creating spreadsheets,
 posting reminders to WhatsApp,
 welcoming new families, joining
 classroom activities, driving and
 chaperoning field trips, sending emails,
 and more!

Woodland is thrilled to celebrate the success of our Enduring Excellence Campaign, a multi-year comprehensive initiative to sustain our Annual Fund, build our inaugural endowment, and support priority initiatives including the Wonder Cove and science classroom renovations.

Campaign Launch

After 3 years building momentum behind the scenes, Woodland launched Enduring Excellence to our full community on October 16, 2025 with more than \$2 million in foundational commitments to our inaugural endowment. Thanks to all who attended and helped build campaign momentum across the extended Woodland community!

Woodland thanks these leadership volunteers for their strategic campaign counsel and oversight of inaugural endowed funds.

Community-Wide Support

Our extended community—including current families, alumni families, grandparents, past trustees and employees—came together to reach our final goal and ensure Woodland remains competitive, our teachers have the compensation they deserve, and students are supported by top educators who help them thrive. Thank you, Woodland community!

Class of 2026 Graduation Gift - A New Tradition

Our 8th grade families came together in an extraordinary act of community and generosity to establish a new tradition: Annual Graduation Gifts to Woodland's inaugural endowment. Led by Ying Chen and Erin Walters, 76% of families participated, meeting our goal of 26 families to honor the Class of '26. This milestone unlocked \$25,000 in challenge funds, resulting in a collective class contribution to the endowment of well over six figures. This terrific show of support honors our graduates, thanks the phenomenal faculty who prepared them for high school, and secures Woodland's future for generations to come. Thank you, Class of 2026!

Gala & Auction Impact

One of the largest Woodland events each year, the Gala & Auction is a terrific opportunity to celebrate what matters most, our wonderful school community, and to raise funds for priorities that extend beyond the reach of our Annual Fund.

Thanks to the incredible support of our community, this year's Gala & Auction raised over \$200,000 in bids, sponsorships and Fund A Need donations to support Woodland's inaugural endowment.
