

Proposed Elementary Attendance Boundaries

September 28, 2026

Objectives

- Feedback from the Shaping Tomorrow, Together Parent Committee
- The process utilized in developing proposed boundary maps
- Our current boundaries
- New boundaries
- Open Enrollment process for the 2027-2028 school year

Shaping Tomorrow, Together - Parents

Priorities:

- Safety
 - Busy intersections, distracted drivers more of a concern over railroad crossings
- Walking distance
- Community Effort regarding safety
 - Crossing Guards
 - Safe-trusted adults
- Backyard borders, neighbors attending school together

Redistricting Work

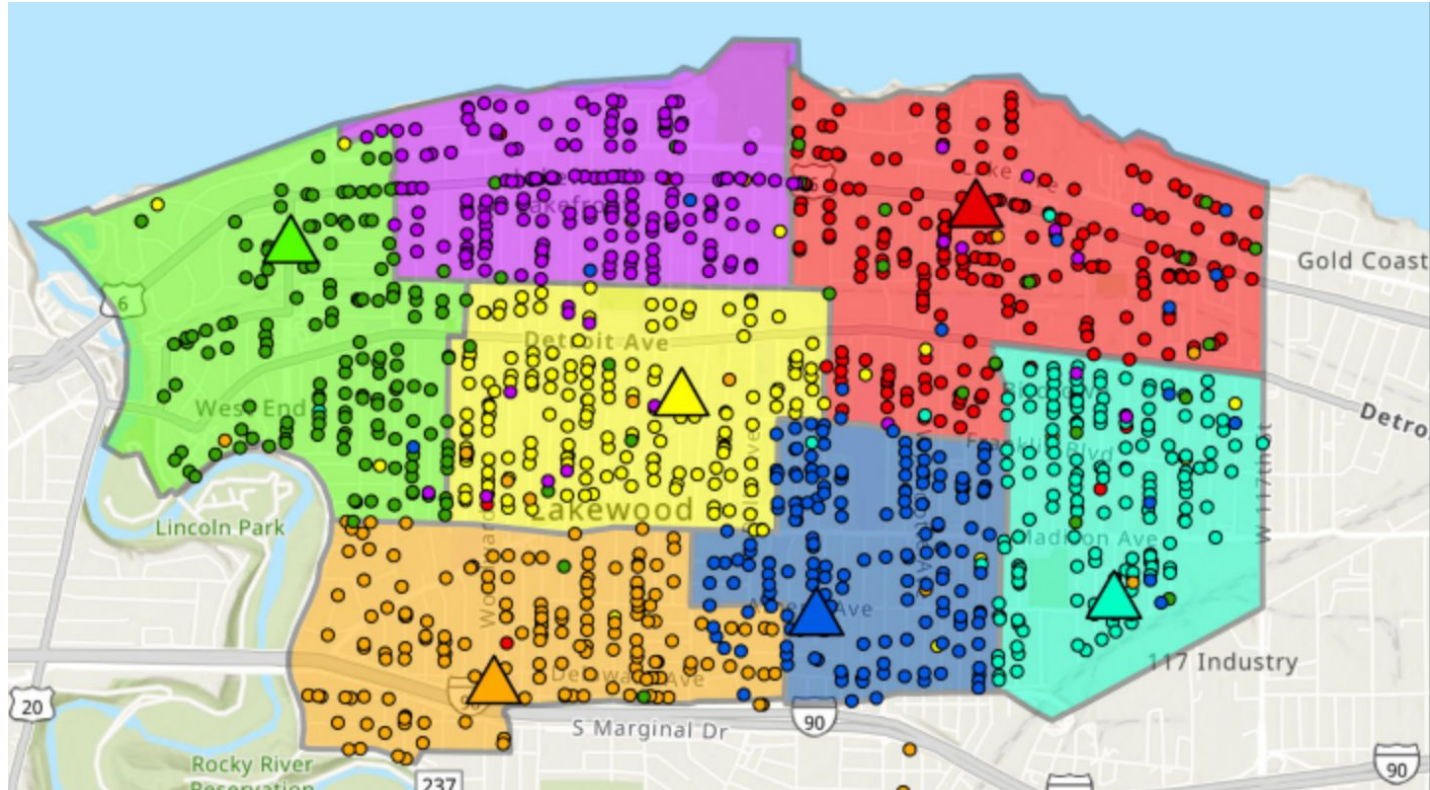

- Student Geocoding & Capacity Assessment
- Acquiring Geographic Information System (GIS) Data
- Travel Analysis (Origin-Destination Cost Matrix) in GIS software
- Drafting Initial Boundary Scenarios
 - Baseline options - absolute closest school, balances out schools enrolment, and then adjust from there
- Community Feedback Adjustments
 - Railroad crossings versus closest school
 - Backyards versus streets, preserving neighborhoods
 - Information from task force and Shaping Tomorrow, Together shared
