Dr. Carrie Jackson, Principal

International Baccalaureate • International Studies “Embracing Diversity, Valuing Excellence”

School Profile 2026-2027

Our School

Mira Loma High School, a California Distinguished School educating International Baccalaureate students since 1991, is one of nine high schools in San Juan Unified School District. MLHS prides itself on its seven distinctive programs including: International Baccalaureate Middle Years Program (MYP), International Baccalaureate Diploma (DP), International Baccalaureate Career-related Programme (IBCP), International Studies (IS), Career Technical Education (CTE), English Learner (EL) and Special Education. MLHS serves 402 EL students (majority Middle Eastern, Russian and Ukrainian refugees), and 145 Special Education students. MLHS's programs have created a dynamic magnet for students in our neighborhood as well as it's surrounding cities. Known for our inclusive environment, MLHS brings together the brightest and hardest working students in the region with the most diversity of thought and background. Through our past work with Equal Opportunity Schools (EOS), we are proud of our growing number of students enrolling in challenging advanced level courses. In addition to the challenging coursework taken on our campus, Mira Loma students actively participate in dual enrollment coursework through American River College. There were 64 enrollments in Fall 2025 and 72 enrollments in Spring 2026, reflecting strong student engagement in college-level learning opportunities while in high school. MLHS is accredited by the Western Association of Schools and Colleges, receiving a 6-year accreditation in 2023. In 2023 MLHS began receiving additional funding to bridge educational gaps through the Federal Title 1 program.

Our Community & Students

MLHS is a comprehensive public high school, serves 1676 students, 354 of whom are in our Class of 2027. Mira Loma prides itself on its ethnically and culturally diverse community, made up of approximately 25+ ethnicities and 38 languages. MLHS sits in a well-established neighborhood with a mixture of urban and suburban areas. Adding to our diversity is our districts “Open Enrollment” policy that allows students to attend any of the nine high schools in the district. 62% of students come from a socioeconomically disadvantaged background. MLHS IB students are academically driven in the rigorous IB coursework and their independent MYP Personal Projects and DP extended Extended Essays. IB students show compassion and global awareness through their Creativity, Activity & Service hours. Approximately a third of the IB students travel from other communities to belong to the MLHS IB Program, the **most well established and successful IB Program in the region.**

Economics	5	World Language	20		
Soc. Studies	5	VAPA/CTE	10		

Grading

Class Ranking: Mira Loma High School **does not rank** it's students.

GPA: Classes are graded on a four-point scale (A=4, B=3, C=2, D=1). IB Courses are graded to align with internationally established standards. For IB, Honors and AP courses, one point is added (A=5, B=4, etc.). Weighted and unweighted grade point averages are reported on the transcript. If a course is repeated, the higher grade is calculated into the GPA.

Testing

SAT	24-25	25-26
Mean Total	1268	1348

IB Examinations

	24-25	25-26
Students taking exams	250	205
