

Portrait of a Garrison Forest 8th Grade Graduate

OUR VISION

Garrison Forest women live
“To Be Rather Than To Seem,”
leading with authenticity,
integrity, and impact.

OUR MISSION

A Garrison Forest School
education empowers every girl to
achieve academic excellence,
cultivate her authentic self, foster a
community of care and respect,
and lead with purpose.

ON HER PATH TO BECOMING A WOMAN OF IMPACT, A GARRISON FOREST 8TH GRADER...

Achieves Academic Excellence

She develops disciplinary knowledge, pursues questions with curiosity, analyzes information thoughtfully, and makes connections across ideas and disciplines. She persists through productive struggle, reflects on progress, revises with purpose, sets goals, and advocates for the support she needs.

Cultivates Her Authentic Self

She identifies and reflects on her strengths, challenges, values, interests, and learning preferences. She communicates her ideas and perspectives clearly, listens and responds thoughtfully, and advocates for herself appropriately.

Fosters a Community of Care and Respect

She listens to understand, responds with compassion and consideration, and communicates respectfully across differing opinions and experiences. She collaborates with peers, contributes positively to a supportive community, and takes responsibility for helping others feel included and respected.

Leads with Purpose

She takes initiative, follows through on commitments, makes ethical choices, and recognizes when to lead, collaborate, support others, or follow. She contributes meaningfully to her school and recognizes the impact she can have on others.
