Athletics

Elsinore High School is affiliated with the Southern Section of the California Interscholastic Federation (CIF). Elsinore High School has a rich tradition both on and off the field of play. Athletes are held to a high standard as representatives of the school; thus, they are required to follow the LEUSD Athletic Code of Conduct. Competitive sports offered through our athletic program include the following:

Fall Sports	Winter Sports	Spring Sports
Cross Country	Boys Basketball	Baseball
Girls Flag Football	Girls Basketball	Boys Golf
Football	Competitive Cheer	Softball
Girls Golf	Boys Soccer	Stunt
Girls Tennis	Girls Soccer	Swimming
Boys Water Polo	Girls Water Polo	Boys Tennis
Girls Volleyball	Boys Wrestling	Track and Field
	Girls Wrestling	Boys Volleyball

Eligibility

To participate in athletics, a student must:

- Complete an Athletic Clearance online at AthleticClearance.com, including a current sports physical and proof of insurance.
- Maintain a minimum of a 2.0 grade point average.
- Have no more than one “F”.

Eligibility is based on an unweighted GPA based on letter grades from the previous nine weeks’ grading period.

A = 4 points, B = 3 points, C = 2 points, D = 1 point, F = 0 points

Physical Education Requirement

Athletic PE meets the PE requirement for graduation. Availability of Athletic PE is determined by the availability of qualified teaching and coaching staff on site. Not all sports will have Athletic PE sections offered. Students may not enroll in Athletic PE without prior approval from the head coach.Students are given the opportunity to try out for sports of interest each school year prior to the start of the athletic season.

Varsity Letters

To qualify to receive a Varsity Letter, student athletes must meet the team qualifications for a varsity letter. Students must purchase an ASB card to receive a Varsity Letter at no cost. Students without an ASB card may purchase a Varsity Letter for $15. Pick up your Varsity Letter at the Athletic’s Office.

College & Career Counseling

Elsinore High School Graduation Requirements	
History / Social Science	3 years / 30 Credits
English	4 years / 40 Credits
Mathematics	3 years / 30 Credits — Must complete Algebra 1
Science	3 years / 30 Credits
Fine Art, CTE, or Foreign Language	1 year / 10 Credits
Health	1 semester / 5 Credits
Physical Education	2 years / 20 Credits
Electives	55 Credits
Total	**220 Credits**

UC / CSU Admissions Requirements (A–G)	
History / Social Science (A)	3 years
English (B)	4 years
Mathematics (C)	3 to 4 years — Including Geometry & Algebra 2
Laboratory Science (D)	2 to 3 years
Foreign Language (E)	2 to 3 years
Visual & Performing Arts (F)	1 year
Electives (G)	1 year
Students must earn a grade of "C" or better to maintain eligibility.	

CTE Courses That Meet CSU and UC Subject Matter Requirements

Elsinore High School (EHS)· *not all classes are offered each year

Course	UC/CSU Category
Mathematics ("C") — 3 years required, 4 years recommended	
AP Computer Science A	Mathematics (C)
Laboratory Science ("D") — 2 years required, 3 years recommended	
Ag Soil Chemistry	Lab Science (D)
AP Computer Science Principles	Lab Science (D)
CDE Agricultural Biology	Lab Science (D)
Production Horticulture	Lab Science (D)
Veterinary Science 1	Lab Science (D)
Visual & Performing Arts ("F") — 1 year required	
CTE Digital Photography 2	Visual & Performing Arts (F)
Design for Print Publication	Visual & Performing Arts (F)
Digital Media	Visual & Performing Arts (F)
Graphic Design 2	Visual & Performing Arts (F)
College-Preparatory Elective ("G") — 1 year required	
Advance Digital Video Production	Elective (G)
Advanced Digital Video Production	Elective (G)
Advanced Production Horticulture	Elective (G)
Advanced Sports Medicine	Elective (G)
Agriculture Leadership	Elective (G)
Automotive - Maintenance and Light Repair I	Elective (G)
Automotive - Maintenance and Light Repair II	Elective (G)
Automotive - Maintenance and Light Repair III	Elective (G)
Digital Photo 1	Elective (G)
Digital Video Production	Elective (G)
Fundamentals of Cybersecurity	Elective (G)
Leadership in Health Careers	Elective (G)
Patient Care 1	Elective (G)
Sports Medicine	Elective (G)
Vet Science 2	Elective (G)

Earning College Credit in High School

Concurrent Enrollment and Dual Enrollment

College Credit Courses

All college credit courses offered at or through Elsinore High School fall under the rules and regulations of the partnering college or university.

EHS offers multiple pathways for students to earn college credit while still in high school:

- Concurrent Enrollment courses are college courses offered on the EHS campus, providing both high school and college credit upon successful completion.
- Dual Enrollment courses are college courses offered at a partnering college or university campus, open to eligible high school students.

Students interested in either option should see their counselor for more information and to determine eligibility.

Advanced Placement (AP) Courses

EHS offers a variety of AP courses that prepare students for college-level work and provide the opportunity to earn college credit. Students interested in AP coursework should see their counselor.

Course Selection and Scheduling

Counseling Appointments

To best support your student, we recommend scheduling an appointment prior to visiting the counseling office. Appointments can be arranged by emailing your counselor, scheduling a “Calendly” appointment, calling the counseling office, or stopping by during break or lunch. Counselors are available during break and lunch for walk-in questions. For urgent student matters, appointments are not required and same-day availability may be possible. All parents and guardians are asked to check in at the front desk, sign in, and present a valid photo ID upon arrival before accessing any area of campus.

Course Selection

Courses are offered based on student interest, staff availability, facilities, and funding. Each spring, students have the opportunity to select their courses for the upcoming school year. Enrolling in a class is a commitment — students are expected to put forth a sincere effort to successfully complete every course they choose. Before selecting courses, students should carefully verify that they meet all prerequisites. All students are scheduled for a full six-period day; however, seniors who are in good academic and behavioral standing and have no remaining graduation requirements may qualify for one or two Campus Release periods with prior parent permission.

Schedule Change Policy

If a schedule change is needed for **one of the reasons listed below**, parents and students have the first **fourteen (14) days** of each semester to submit a request through their student's counselor. Once submitted, the counselor and administrator will review the request to determine whether it qualifies under the approved reasons for a schedule change. Any request submitted after the 14th day will require administrator approval.

Schedule changes based on teacher preference are not permitted. If a parent or student requests a change due to concerns about academic performance, a meeting with the teacher and an administrator will be required, and an intervention plan will be developed to address those concerns.

Schedule changes are considered only for the following reasons:

1. A graduation requirement was omitted from the schedule.
2. College requirement (A-G coursework) was omitted from the schedule.

3. Prerequisites were not met.
4. The student participates in a special program (Athletics, Band, ROTC, or CTE) and their original schedule does not include the required course for that program. Please note that schedule changes cannot always be accommodated for program or athletics conflicts.
5. A required class was previously taken and successfully completed in summer school.
6. A scheduling conflict exists (e.g., two first periods, no third period, etc.).
7. The student previously failed the course with the same teacher.

Please note: Counselors may also make schedule adjustments to balance class sizes or remove courses with low enrollment. If a schedule change is approved, **students must continue following their original schedule until they receive a hard copy of their revised schedule.**

Grading

D/F Notifications and Progress Reports
Teachers are required to notify parents whenever a student is earning a D or F grade. Notifications are sent home through D/F notices and Progress Reports, so please ensure your email address on file is current and correct. You can also monitor your student's progress at any time through the Parent Portal in Infinite Campus (IC). Parents are always welcome to reach out directly to teachers with any concerns.
Here is a general timeline of when notifications are sent each semester:

- Week 5 — 1st D/F Notice
- Week 10 — Progress Report (all grades)
- Week 15 — 2nd D/F Notice
- Week 2 of 2nd Semester — Final grades for the 1st Semester
- Two weeks after school ends — Final grades for the 2nd Semester

Graduation Policy
Graduation ceremonies are held to celebrate students who have successfully completed their required coursework and earned 220 credits. Only students who meet all graduation requirements are eligible to participate. The principal may withdraw the privilege of participation in end-of-year activities related to graduation and promotion from any student whose specific conduct has been unacceptable according to district policy and the laws of California.

Repeated Classes
Per Board Policy/Regulation 5121: Grades/Evaluation of Student Achievement, repeating a class is permitted only for credit recovery when a student has earned a grade of "F," or for grade improvement in an A–G course where a student received a "D" or "F." Certain courses may be repeated each year if designated as repeatable in the course description. Students may not repeat a course solely to improve a grade unless it meets the criteria above, and credit will not be awarded more than once for the same course. Students considering repeating a course should consult with the counseling office prior to enrolling to determine eligibility.

Valedictorian and Salutatorian Policy
To be eligible for Valedictorian and Salutatorian consideration, a student must have been enrolled at the high school issuing the diploma during the final two full semesters in which they earned credits. Selection is determined by the student's weighted grade point average from 9th grade through the fall semester of 12th grade. The student with the highest weighted GPA is the Valedictorian. The student with the second highest weighted GPA is the Salutatorian. In the case of a tied grade point average, there may be Co-Valedictorians or Co-Salutatorians.

Weighted Grades
Students will receive “weighted grades” upon successful completion of Honors, Advanced Placement (AP), Concurrent Enrollment, and Dual Enrollment courses. This means that a passing grade in one of these courses will earn more grade points than a non-weighted course. Weighted grades will influence the overall high school GPA and class rank. Any weighted class taken will be computed as follows: A-5, B-4, C-3, D-1, and F-0. Universities will not accept weighted grades for a “D.”

Transcripts
The Lake Elsinore Unified School District’s Student Records Center (SRC) is responsible for the permanent archiving of student cumulative records of former Lake Elsinore Unified School District students. Cumulative records are maintained for students who attended Lake Elsinore Unified School District schools. Records for each school the student attended may include a listing of classes completed, grades, test scores, immunization records, and graduation status. For previously graduated students, requests are made online at www.leusd.k12.ca.us under the “I WANT TO” tab — choose “Order a transcript.” For current 9th–12th graders, requests are made through parchment.com. Telephone and fax requests are not accepted.

Credit Recovery Options

Summer School
Summer school in the Lake Elsinore Unified School District is designed primarily for credit recovery, not course advancement. The program serves two primary purposes: (1) to assist seniors who are within 15 units of graduation, and (2) to allow current students to make up failed courses and earn credit toward graduation. Summer school is offered in a variety of formats, including in-person, online, and hybrid options, depending on the program and grade level. LEUSD's goal is to provide flexible learning opportunities that meet each student where they are and support their path to graduation.
If you have questions about summer school eligibility or enrollment, please contact the counseling office.

Digital Learning
Our Digital Learning Program offers students the flexibility of online coursework combined with the support of highly qualified teachers. Students can access and complete their coursework anywhere, at any time, as long as they have internet access. Enrollment in the program typically allows students to recover two to three courses within a single semester, making it an effective option for students who need to get back on track. Please note that Digital Learning takes the place of one of your elective courses and does not earn elective credit — credit is earned only for the course or courses being recovered. This is a self-paced program, allowing students to move through their coursework at a speed that works for them.

Alternative Education Programs in LEUSD
Ortega High School is a continuation high school within Lake Elsinore Unified School District that offers accelerated credit recovery for students who need an alternative path to graduation. Ortega requires fewer credits to graduate (190 credits) and provides a supportive setting designed to meet each student's individual needs.
Students may request to attend Ortega High School, or a counselor may recommend it if a student is significantly off track and unable to complete enough credits to graduate at their current campus. To be eligible, students must be in 11th grade or above. Please note that students are responsible for providing their own transportation.

Parent Outreach and Communication

Canvas
Most teachers use Canvas to post assignments, collect student work, and manage grades. Students can access Canvas by downloading the Canvas Student app or by visiting leusd.instructure.com.

To get started, open the app, select "Find My School," and search for "Lake Elsinore Unified - Teachers/Students." Student accounts are created within 48 hours of enrollment, and any schedule changes may take up to 48 hours to sync.
To log in, use the following credentials:

- **Username:** Your school email — your student ID number followed by @leusd.k12.ca.us
- **Password:** Your 8-digit birthdate (MMDDYYYY)

For security purposes, always sign out of your Canvas account when using a shared device.
Parents and guardians are encouraged to download the Canvas Parent app to stay connected to their student's coursework and progress. Once downloaded, select "Find My School" and search for "Lake Elsinore Unified - Parents."
First-time users should select "Create Account" and complete the registration. During setup, you will be prompted to enter a Student Pairing Code, which links your account to your student's. To obtain this code, have your student log in to their Canvas account, tap the menu icon in the upper left corner, select "Settings," and then select "Pair with Observer."

Communication with Teachers and Staff
Parents and guardians who wish to contact a teacher or staff member may do so via email or through ParentSquare. All staff email addresses are available on the school website at chs.leusd.k12.ca.us. If you are unable to reach someone by email, please call our front office at (951) 253-7200 and a receptionist will direct your message to the appropriate staff member. Please allow up to 48 hours for a response.

Microsoft Office 365
All LEUSD students have access to Microsoft Office 365, which includes Word, PowerPoint, Excel, and Outlook. Outlook serves as your official school email account and is the primary way teachers and staff will communicate with you.
To log in, use the following credentials:

- **Username:** Your school email — your student ID number followed by @leusd.k12.ca.us
- **Password:** Your 8-digit birthdate (MMDDYYYY)

Parent/Student Portal — Infinite Campus (IC)
Parents and students have access to Infinite Campus (IC), LEUSD's student information portal, where you can view current grades, assignments, attendance, behavior, schedules, and transcripts.
To set up a parent portal account, parents and guardians must visit the counseling office with a valid photo ID to register with the counseling secretary. Student accounts are accessed using the following credentials:

- **Username:** Your school email — your student ID number followed by @leusd.k12.ca.us
- **Password:** Your 8-digit birthdate (MMDDYYYY)

If you are locked out or need technical assistance, please email sarah.roberts@leusd.k12.ca.us. Be sure to include your name, student ID number, and a brief description of the issue so we can assist you as quickly as possible.

ParentSquare and StudentSquare
Parents and students have access to ParentSquare and StudentSquare, respectively — LEUSD's platforms for safe, secure school-to-home communication. These tools keep families and staff connected through two-way messaging, private conversations, and school-wide announcements and alerts.
Parents and guardians can register by visiting parentsquare.com. If you need assistance getting set up or have any issues with your account, please email gabriela.moralez@leusd.k12.ca.us and include your name, student ID number, and a brief description of the issue.

Student Debt

Debts

Debts refer to money owed for something (e.g., missing textbook, money collected for fundraisers, uniforms, restitution, etc.). All student debts owed to the school must be paid. No records or transcripts will be released until all debts are paid. All debts are paid at the bookkeeper's office before school, at break, or during lunch.

Media Center / Library

Books are loaned for a period of 30 days and may be renewed as necessary. You may only check out 3 library books at a time. Your school ID card is required for book checkout. Fines are charged to the student's record for unreturned books and materials.

Attendance

School Day

Period 1 begins at 8:30 a.m., with the exception of Wednesday late start days. Passing periods are six minutes, providing students with adequate time to move between classes. School dismisses at 3:30 p.m. Students are expected to exit campus at dismissal unless they are participating in and supervised by an approved activity such as athletics, tutoring, or a school club, and/or enrolled in a 7th period.

Tardy & Late Arrival Procedures

Arriving Late to First Period: Students who arrive after the first period tardy bell must check in at the Attendance Office to receive a late slip before proceeding to class. Student drivers arriving late must enter through the 300 Gate, notify the campus supervisor, and then report to the Attendance Office for a late slip.
Arriving Late to Any Other Period: Teachers will mark students tardy if they arrive after the bell for any class period, unless they have an excused pass or a late bus pass.

Checking Out Early

To check a student out early, a parent, guardian, or approved emergency contact must come to the Attendance Office in person, present a valid photo ID, and sign the student out. Students will be called to the Attendance Office and must exit through that office. Please note that parent and guardian notes are no longer accepted in lieu of an in-person checkout.
Early checkout should be reserved for emergencies or medical appointments. If early departures become a pattern, the administration will convene a Student Attendance Review Team (SART) meeting to address concerns and develop a plan of support.

Early Campus Release

Students with Early Campus Release are not permitted to remain on campus during their designated release periods. Students may exit through the following locations by presenting their Campus Release card:

- **Student Parking Lot / 300 Gate** — Campus Supervisors
- **Flagpole Area** — Administration (during lunch only)
- **Main Office** — Office Clerk

Short-Term Independent Study

Students who will miss three or more consecutive school days due to travel, a family emergency, or other approved circumstances must request Short-Term Independent Study (IS) in advance through the Attendance Office. Completed assignments will excuse the absences. Students may use Short-Term IS for up to 15 days per school year. To arrange Short-Term IS, contact the Attendance Office at (951) 253-7222, Ext. 2 or 3.

Extreme Saturday Program

The Extreme Saturday Program is offered on select Saturdays from 8:00 a.m. to 12:15 p.m. Attending one Saturday session clears one full day of absence from a student's record. For more information, see Mr. Weismann in Room 506.

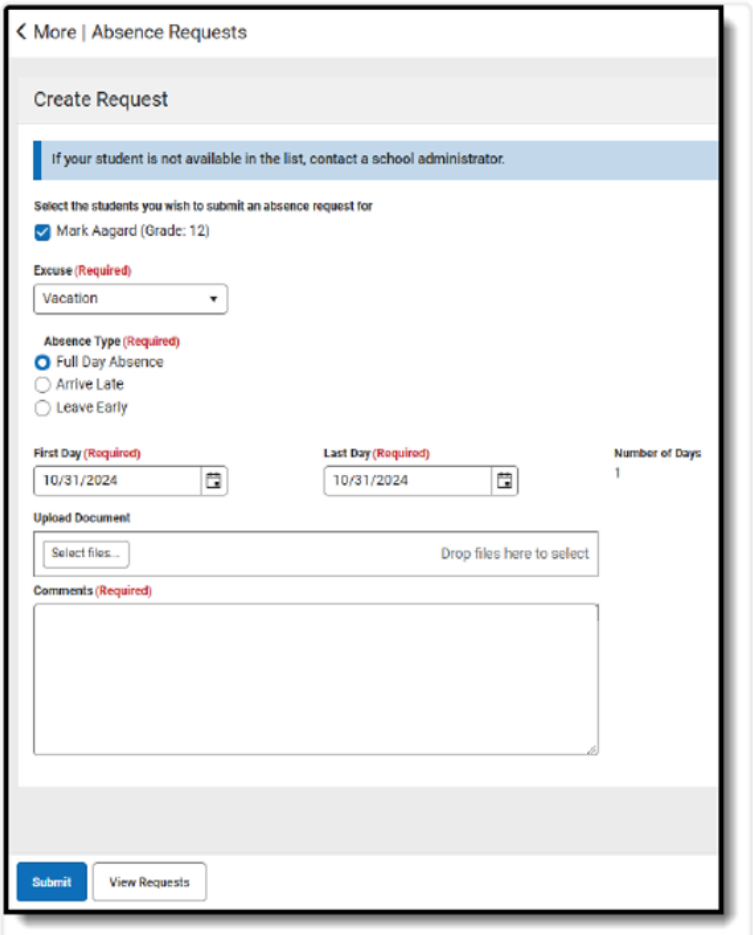

Reporting Absences

We offer multiple ways for you to report your child's absence. Please complete only one of the options below:

A) Infinite Campus (Future or Same-Day Absences Only):

To submit an absence request:

1. Log in to the Infinite Campus Parent Portal at leusd.infinitecampus.org or through the mobile app.
2. Navigate to **More > Absence Request.**
3. Select your student's name.
4. Choose a reason from the "Excuse" dropdown and select the absence type.
5. Optionally, upload a supporting document or add a brief comment.
6. Click **Submit.**

Portal Absence Request Tool Example

Once submitted, your student's attendance record will be updated automatically.
B**) To clear a past absence,** please use one of the following methods — not both:

- Drop off the doctor's note or a written note signed by the parent/guardian explaining the absence.
- Parent or guardian may call and leave a voicemail for the attendance office
- Respond to the absence notification via ParentSquare

Submitting through multiple channels creates duplicate entries and slows processing. When possible, the Absence Request tool is the preferred and most efficient option for same-day reporting.
If you have questions about your student's attendance record, please contact the attendance office directly.

Student Attendance Review Team (SART) & Student Attendance Review Board (SARB)
Regular attendance is essential to student success. A student who misses 10% or more of the school year — whether absences are excused or unexcused — is considered chronically absent and may be referred to a Student Attendance Review Team (SART) meeting. SART meetings bring together the student, family, and school staff to identify barriers to attendance and develop a plan of support.
If attendance concerns persist following a SART meeting, the student may be referred to the Student Attendance Review Board (SARB), a formal district-level process that may involve additional interventions and legal consequences for continued truancy.
If you have concerns about your student's attendance, please contact the Attendance Office as early as possible — early intervention makes a significant difference.

Hall Passes
Students must have a hall pass whenever they have permission to leave the classroom during instructional time. Each classroom is equipped with hall pass lanyards available for general travel, including hallways, restroom, and office visits. For longer trips, such as visits to the office, nurse, or another teacher's classroom, your teacher will issue a handwritten pass.
Only one student may leave the classroom at a time. Students are expected to return promptly and take care of their needs efficiently so as not to miss instructional time.

Lanyard Color System
Hall passes are assigned by campus location:

- **Red Lanyard** — West side of campus
- **Yellow Lanyard** — East side of campus

Students should only be in the area that corresponds to their pass color.

Excessive Pass Use
Students who leave the classroom excessively may be referred to the administration, and a support plan will be developed to address the concern.

Tardy Policy
Punctuality is an important part of a student's success at Elsinore High School. Students are expected to arrive on time for all six class periods. Tardies are tracked electronically, and detention assignments are generated automatically based on the totals below.

Tardy Thresholds

Tardies	Consequence
5	1 lunch detention
9, 13, 17, 21...	Additional detention assigned

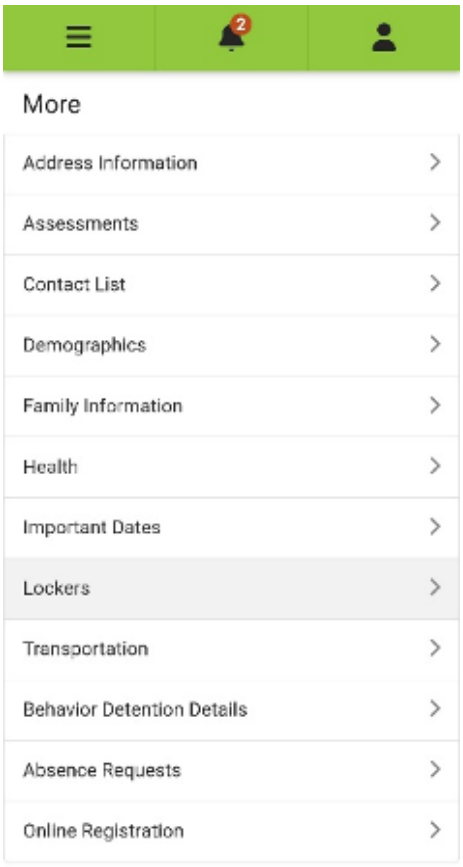

Tardy counts apply across all class periods (1–6) and reset each semester.

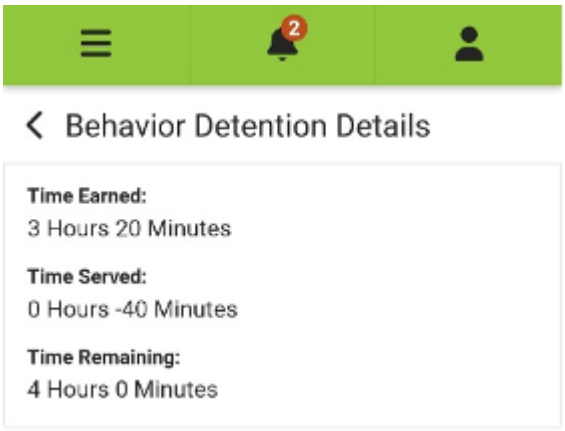

Clearing Detentions
Students have several options for serving assigned detentions:

Option	Details
Lunch Detention	Held in Room 707 on Tuesdays, Thursdays, and Fridays. Each session clears 20 minutes (1 detention).
Saturday School	One session clears up to 9 detentions.
Teacher Tutoring Time	Time spent tutoring with a teacher may count toward detention clearance. The teacher must email administration to confirm time served.

Checking Detention Status

Students will no longer receive paper notification slips regarding detention balances. Instead, students can check their detention balance at any time by logging into the Infinite Campus Student Portal and navigating to **Menu > More > Behavior Details**. Balances are updated every 24 hours and will reflect both time served and time remaining.

Consequences for Unserved Detentions
Students with unserved detentions or consequences may lose campus privileges, including participation in school activities, dances, athletic events, and clubs. Additional disciplinary consequences may also be assigned for failure to serve or insubordination.

Student Safety

Balloons

Latex balloons are not permitted on the Elsinore High School campus. Some students and staff have severe latex allergies, and exposure can trigger anaphylaxis — a potentially life-threatening reaction requiring immediate medical attention. Popping latex balloons is especially dangerous, as it releases latex particles into the air and significantly increases the risk of exposure.

If latex balloons are brought to campus, please notify the AP office immediately so they can be safely removed and disposed of. Your awareness and cooperation help keep our campus safe for everyone.

Deliveries

For the safety and security of all students, Elsinore High School does not accept outside deliveries of any kind on behalf of students. This includes food delivery services such as GrubHub and UberEats. The front office will not accept deliveries from any outside vendor, and any attempted delivery is subject to confiscation by school administration.

Emergency Drills

Emergency drills are conducted regularly to ensure the safety of all students and staff. During fire drills, students are expected to follow their teacher's designated exit instructions, move in a single-file line, walk calmly and quietly, and proceed to the designated assembly area. When the "All Clear" signal is given, students will return to class in the same orderly manner.

Injuries

If you are injured on campus or during a school-supervised event, report the injury immediately to your teacher, coach, or campus supervisor. Do not wait — prompt reporting ensures you receive appropriate care and that the incident is properly documented.

Parking

All vehicles parked in Elsinore High School parking lots must display a valid parking permit. To obtain a permit, pick up a Permit Form from the Athletics Office and submit the completed form along with the following to the bookkeeper's window:

- A copy of the student's valid driver's license
- Proof of insurance
- Vehicle registration
- $10.00 permit fee

Replacement permits for lost or damaged passes are also $10.00.

Students must obey all traffic and safety laws in the parking lot and surrounding areas. Vehicles must be parked in designated stalls only. Student parking is not permitted in staff parking lots. Students who fail to display their permit visibly, park in unauthorized areas, or violate traffic and safety laws may be ticketed, fined, or lose parking privileges. Unauthorized vehicles are subject to towing at the owner's expense.

Students are permitted in the parking lot only when arriving to or departing from school. Students should not store books, clothing, or any other items needed during the school day in their vehicle. For parking-related emergencies, please report to the front office for assistance.
