PAYMENT

It is the Governors' Policy to require all parents to pay School fees by direct debit on the first day of each term. Payment by direct debit helps us to keep down our administrative costs. If you have not yet completed a direct debit mandate a copy is available on our website within the Admissions – Fee Payment Option via https://www.stcatherines.info/admissions/fees.

Some of you may prefer the alternative method of paying fees by direct debit monthly through a school fee plan credit agreement with a third party. For an administrative fee, the cost of fees is evenly spread across the year for you. Similarly, further details are available on the same website page.
