

REQUIREMENTS FOR GRADUATION POLICY

Each student is able to earn 18 credits each year in Grades 9 through 12, for a total of 72 credits. The minimum number of credits needed to graduate is 67 credits.

English Communications:	12 credits (3 credits must be English Literature and Composition)
Mathematics:	9 credits (3 credits must be Algebra I)
Sciences:	9 credits (3 credits must be Integrated Science)
Social Sciences:	9 credits (3 credits must be US History)
World Languages:	6 credits in a single language
Art:	1 credit
Physical Education:	1 credit
Health:	1 credit

The rest of the credits are additional courses of these core subjects

When students transfer into our school from another school, they transfer in 18 credits per year as deemed by the Dean of Faculty and Students or Head of School. Only grades of C- and higher will be accepted.

Ds earned at American Academy will count towards their graduation requirements. Fs do not count towards their graduation requirements.

Students must earn at least 18 credits at American Academy in order to graduate from American Academy.

Students may take summer classes or online classes to meet some of the requirements with prior approval of the Dean of Faculty and Students or Head of School.
