

St. Joseph's University On-Site Admissions:

Thursday, 11/5 @ 8:30

Once you have applied, notify your Guidance Counselor so they can schedule a time for you to meet with the SJU Admissions Representative on 11/5 in the NHS Library

At the on-site, students will receive an unofficial admission decision. Final decisions, along with scholarship notifications, will be emailed once the Director of Admissions has completed the review.

Here is some additional information from SJU you may need to know:

- What is needed prior to the day of your appointment?
 - Submitted application to SJNY (Common App or SJNY application)- students should use **fee waiver code SJNYMB**
 - Submitted official high school transcript
 - Submitted standardized test scores (SAT/ACT). Please note that SJNY is test-optional
 - One letter of recommendation
 - Personal essay
 - An activities list or resume
- Students interested in the B.S. in Nursing program are strongly encouraged to apply early. Students will need to have taken a three-year sequence of math and science courses. Students will not be admissible if they did not take Biology/Living Environment and Chemistry. Please note that applications for Nursing and Science majors receive additional review.

LIU On-Site Admissions:

Monday, 11/9 @9 a.m.

Apply at: <https://apply.liu.edu/>

Here is some additional information you may need to know:

- GPA:
 - 85 (Strong B students)
 - Nursing: unweighted 85 overall average
 - Vet Tech: unweighted 85 overall, 85+ math and science
 - If students are applying with an 80-84, they can be admitted with a 1050+ SAT or 20+ ACT
 - 80-84 no test scores will be waitlisted
- Test Optional but not test blind! I recommend all students apply as test optional and I will work with the students on whether they should send me their scores or not. I want to award them the highest scholarship right off the bat!
- If transcripts could be printed out prior to, that would be great!
- Essay and letters of recommendation are supplemental for the on-site.
- **Applications should be done 48 hours prior to the on-site.** The application can be completed on the LIU website or through the common application. **The fee waiver code is LIU2027.**

Molloy University On-Site Admissions:

Tuesday, 12/1 @9am

Please see the following requirements:

1. Application Deadline – One (1) week prior to on-site appointment. Please have registered students apply a week before the on-site, students can be added after the initial list is sent but please keep the deadline in mind.
2. **Documents Required:**
 - Application (Common App or Molloy App)
 - Fee waiver code for \$45 application fee is “**ONSITE**”.
 - Essay (If they submitted the Common App or Molloy App)
 - High School Transcript
3. **GPA should be no less than 85 (3.0)***
4. **Molloy is test-optional.** If a student is going to submit test scores, they will only be used to help a student in the admissions process. Test scores can also help determine eligibility for merit aid. SATs should be no less than 1000 combined on the SAT (ACT Composite Score of 20 or higher).
5. **Students applying to the Nursing Program may sit for the On-Site.** If the student meets the requirements for the Nursing program, they will be admitted directly into the Nursing program.
 - Students who are interested in nursing should have an **87* or above GPA**.
 - If they are submitting test scores, they should have at least a SAT score of 1050 (ACT 22).
6. **Appointment slots should be 10 minutes long**, but a representative will be able to meet with a student if they have additional questions or concerns.

** If a student does not meet the requirements, we kindly ask you to encourage them to connect with us separately to explore their options. This helps us ensure the On-Site remains a celebratory experience for all participants.*

Please note the following:

- Letters of Recommendation are NOT required, but if the student has them, we recommend they submit them.
- Students applying to the CAP21 Musical Theatre or Music programs will not receive a decision until after their audition- they are welcome to come and meet with us, but we are unable to give them a decision.
- Students applying to the Cardiovascular Technology program will not receive a decision until late Winter. They can attend the on-site if they want to ask our counselors any questions.
