Comprehensive Needs Assessment

AREA LEADS:

GOAL AREA 1: EFFECTIVE TEACHING AND LEARNING**Areas Reviewed: Student Performance****Strengths**

John McKeever Elementary provides the teachers with a standards-aligned Guaranteed and Viable Curriculum and scope and sequence. The district curriculum is developed and adjusted after the district content-based assessments and benchmark data are analyzed. The development and adjustment of the district curriculum is led by the Curriculum & Instruction Department, and includes teachers, district content coordinators, and district Executive Officers for each level. The district also provides teachers and campus leaders access to assessments aligned to the standards and expected levels of rigor. A data assessment platform to capture immediate assessment data by item and student is inclusive as part of the curriculum practices and curriculum implementation. In addition:

- Curriculums and assessments are aligned to Texas Essential Knowledge and Skills (TEKS) and included in a year-long scope and sequence. After each assessment, campus and district staff conduct data review sessions and adjustments are immediately made to the scope and sequence and resources are evaluated.
- The scope and sequence, units of study, and assessments are aligned to the standards for all state assessed subjects and grade levels in grades PK-2nd, 3rd-5th, middle and high school.
- Assessments that are aligned to state standards at the appropriate level of rigor are administered strategically throughout the year to determine student progress. Corrective instruction is built into the curriculums and scope and sequence.
- Instructional materials with key ideas, essential questions, and recommended materials including content-rich texts, are used across classrooms. The instructional materials include resources intentionally designed to meet the needs of students with disabilities and English learners among other student groups.
- Professional development is provided throughout the year in response to classroom observations, formative assessments and campus performance.

Challenges

The area of literacy, specifically in reading comprehension and writing, has been a challenge district-wide and great emphasis and resources are being dedicated to this area of need. Additionally, the 2025 STAAR Performance results indicate academic gaps in mathematics.

- The All-Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 52%.
- High Focus Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 51.
- Emergent Bilingual Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 47%.
- Special Education (Current) Student Group in ELA/Reading at Meets Grade Level Standard or Above was at 19%.
- Student reading on level by third grade is an area that we as campus continue to work on and monitor. 47% of 3rd grade students scored 0 points on the ECR.
- Cross curricular writing must be done at all grade levels
- Professional development for teaching writing must be provided at all grade levels.
- The All-Student Group in Mathematics at Meets Grade Level Standard or Above was at 52%.
- High Focus Student Group in Mathematics at Meets Grade Level Standard or Above was at 52 points.
- Emergent Bilingual Student Group in Mathematics at Meets Grade Level Standard or Above was at 44%.
- Special Education (Current) Student Group in Mathematics at Meets Grade Level Standard or Above was at 31%.
- Elementary Reading, Writing and Mathematics curriculums will be monitored for alignment and effectiveness.

Goal Area 1: Effective Teaching and Learning

Annual Goal 1: Student Achievement

By the end of the current academic year, student achievement will improve from an average score of 77 (a C grade) to 82, demonstrating a 5% increase. This improvement will be measured through standardized assessments and report card grades, supported by targeted interventions such as tutoring and curriculum adjustments to ensure the goal is achievable and relevant to our mission of raising academic standards.

OBJECTIVE 1: The percentage of all students that score meets grade level or above on STAAR combined Reading and Mathematics will increase from 52% in June 2025 to 55% by June 2026. (demonstrating a 6% increase)

Strategy 1: Weekly lesson internalization sessions will be organized and assigned to teachers to ensure consistent preparation

Timeline: September 2025 – May 2026

Title I School Components: Title I, Title II, Title III, Special Ed. & Bilingual Funds, Migrant Funds

Persons Responsible: Executive Officers, Content Coordinators, School administration, Content teachers, CLL, Reading Coach

Action Steps:

- **Develop and Share a Weekly Schedule:**

Create a consistent calendar of internalization sessions and distribute it to all teachers at the beginning of each week.

- **Assign Roles and Materials in Advance:**

Ensure each teacher receives their assigned lesson plans and guiding materials at least 48 hours before the session to allow for adequate preparation.

- **Facilitate Collaborative Planning and Feedback:**

GOAL AREA 2: Student Supports**Areas Reviewed:** Student Performance**Strengths**

John McKeever Elementary provides the teachers with a standards-aligned Guaranteed and Viable Curriculum and scope and sequence. The district curriculum is developed and adjusted after the district content-based assessments and benchmark data are analyzed. The development and adjustment of the district curriculum is led by

the Curriculum & Instruction Department, and includes teachers, district content coordinators, and district Executive Officers for each level. The district also provides teachers and campus leaders access to assessments aligned to the standards and expected levels of rigor. A data assessment platform to capture immediate assessment data by item and student is inclusive as part of the curriculum practices and curriculum implementation. In addition:

- Curriculums and assessments are aligned to Texas Essential Knowledge and Skills (TEKS) and included in a year-long scope and sequence. After each assessment, campus and district staff conduct data review sessions and adjustments are immediately made to the scope and sequence and resources are evaluated.
- The scope and sequence, units of study, and assessments are aligned to the standards for all state-assessed subjects and grade levels in grades Pk-2nd, 3rd-5th.
- Assessments that are aligned to state standards at the appropriate level of rigor are administered strategically throughout the year to determine student progress. Corrective instruction is built into the curriculums and scope and sequence.
- Instructional materials with key ideas, essential questions, and recommended materials including content-rich texts, are used across classrooms. The instructional materials include resources intentionally designed to meet the needs of students with disabilities and English learners among other student groups.
- Professional development is provided throughout the year in response to classroom observations, formative assessments and campus performance.

Challenges

- The 2026 STAAR Closing the Gaps results identify **Special Education (Current)** and **Emergent Bilingual (Current)** students as the campus's most pressing areas of need, both showing substantial gaps below All-Student performance in Reading/Language Arts and Mathematics, as well as concerning growth trends.

Special Education (Current)

- RLA Meets Grade Level: **19%** (vs. 52% All Students) — a 43-point gap
- Math Meets Grade Level: **21%** (vs. 50% All Students) — a 29-point gap
- Approaches Grade Level (STAAR Component): **38%** (vs. 75% All Students)
- Masters Grade Level (STAAR Component): **10%** (vs. 22% All Students)

Academic Growth is declining year over year:

- RLA Growth Score: dropped from 63% (2025) to **46%** (2026)
 - Math Growth Score: dropped from 48% (2025) to **37%** (2026)
- SPED is the only student group on campus showing a growth *decline* in both subjects from 2025 to 2026, indicating that current interventions are not adequately meeting these students' needs and that urgent Tier 2/Tier 3 support is required.

Emergent Bilingual (Current)

- RLA Meets Grade Level: **43%** (vs. 52% All Students), though improved from 35% in 2025
- Math Meets Grade Level: **43%** (vs. 50% All Students), though improved from 36% in 2025
- Approaches Grade Level (STAAR Component): **70%** (vs. 75% All Students)
- Masters Grade Level (STAAR Component): **15%** (vs. 22% All Students)
- Academic Growth: RLA growth improved to 78% (2026), up from 61% (2025); Math growth improved to 68% (2026), up from 73% (2025) — showing **mixed progress**, with RLA growth strengthening while Math growth softened slightly.
- English Language Proficiency (TELPAS Progress Rate): **46%** in 2026, down from 48% in 2025, though still above the 40% target — the downward trend should be monitored.
- **Campus Impact**
- SPED and EB students are core components of the **High Focus** group, which posted 51% RLA Meets and 49% Math Meets — both below the All-Student average.
- Academic Growth Status is the campus's weakest accountability domain overall, earning only **25 of 50 possible points (50%)** — a result substantially driven by SPED's growth decline.

GOAL AREA 4: Family Community**Areas Reviewed:** Student Performance**Strengths**

John McKeever Elementary provides the teachers with a standards-aligned Guaranteed and Viable Curriculum and scope and sequence. The district curriculum is developed and adjusted after the district content-based assessments and benchmark data are analyzed. The development and adjustment of the district curriculum is led by

the Curriculum & Instruction Department, and includes teachers, district content coordinators, and district Executive Officers for each level. The district also provides teachers and campus leaders access to assessments aligned to the standards and expected levels of rigor. A data assessment platform to capture immediate assessment data by item and student is inclusive as part of the curriculum practices and curriculum implementation. In addition:

- Curriculums and assessments are aligned to Texas Essential Knowledge and Skills (TEKS) and included in a year-long scope and sequence. After each assessment, campus and district staff conduct data review sessions and adjustments are immediately made to the scope and sequence and resources are evaluated.
- The scope and sequence, units of study, and assessments are aligned to the standards for all state assessed subjects and grade levels in grades Pk-2nd, 3rd-5th.
- Assessments that are aligned to state standards at the appropriate level of rigor are administered strategically throughout the year to determine student progress. Corrective instruction is built into the curriculums and scope and sequence.
- Instructional materials with key ideas, essential questions, and recommended materials including content-rich texts, are used across classrooms. The instructional materials include resources intentionally designed to meet the needs of students with disabilities and English learners among other student groups.
- Professional development is provided throughout the year in response to classroom observations, formative assessments and campus performance.

Challenges

The 2026 STAAR Closing the Gaps results reveal that **Special Education (Current)** and **Emergent Bilingual (Current)** students are the campus's most significant areas of need, both falling well below All-Student performance across achievement and growth measures in Reading/Language Arts and Mathematics.

Special Education (Current) — Lowest-Performing Group Campus-Wide

- RLA Meets Grade Level: **19%** (vs. 52% All Students) — a 43-point gap
- Math Meets Grade Level: **21%** (vs. 50% All Students) — a 29-point gap
- Masters Grade Level (STAAR Component): **10%**
- Approaches Grade Level (STAAR Component): **38%**
- **Academic Growth is declining, not improving:**
 - RLA Growth Score dropped from 63% (2025) to **46%** (2026)
 - Math Growth Score dropped from 48% (2025) to **37%** (2026)
 - SpEd is the only subgroup on campus showing a year-over-year growth *decline* in both subjects, signaling that current interventions are not adequately meeting these students' needs.

Emergent Bilingual (Current) — Persistent Achievement Gap

- RLA Meets Grade Level: **43%** (vs. 52% All Students), though up from 35% in 2025
- Math Meets Grade Level: **43%** (vs. 50% All Students), though up from 36% in 2025
- Masters Grade Level (STAAR Component): **15%**
- Approaches Grade Level (STAAR Component): **70%**
- English Language Proficiency: 2026 TELPAS Progress Rate of **46%**, down from 48% in 2025, against a target of 40% — while the campus met its target, the year-over-year decline warrants monitoring.

Combined Impact on Campus Accountability

- These two groups are core drivers of the **High Focus** student group (which includes SpEd, EB, Econ Disadvantaged, and Highly Mobile students), which posted 51% RLA Meets and 49% Math Meets — both below the All-Student average.
- Academic Growth Status is the campus's weakest accountability domain overall, earning only **25 of 50 possible points (50%)**, driven substantially by SpEd's growth decline.

Goal Area 4: Family Community

Annual Goal 1: Family involvement and interaction with their child's school will increase by 30%.

OBJECTIVE 1: Use events as consistent touchpoints to bring families into the school environment, foster trust, build relationships, and promote student success.

ADDENDUM:

Parent & Family Engagement (PFE) Policy

	2026-2027 Parent & Family Engagement (PFE) Program
What is it?	John McKeever Elementary is committed to our vision: The John McKeever Elementary family believes that all their students can grow academically, learn and reach their full potential in classrooms, their community, and beyond. As a member of the PSJA Family, we are committed to providing every student with a high-quality education that meets their individual needs. We believe that strong partnerships among the school, families, and the community are essential to student success. Title I, Part A State Program provides funding for low socioeconomic schools. This allows us to meet the expectations provided to us by the Texas Education Agency and the United States Department of Education.
Funding	Title I, Part A funds are used to support meaningful parent and family engagement activities that strengthen the partnership between home and school and improve student academic achievement. Programs, activities, and procedures are planned and implemented through meaningful consultation with parents of participating students.
Review	This Parent & Family Engagement Policy has been jointly developed with and agreed upon by parents in accordance with Every Student Succeeds Act (ESSA), Section 1116. The policy is reviewed annually with parents to evaluate its effectiveness and to make revisions based on parent feedback, campus needs, and student achievement data.
Distribution of Policy	This Parent & Family Engagement Policy is reviewed annually with parents and distributed to families at the beginning of each school year. To ensure all families have access to the information, the policy is made available through multiple methods, including: • The campus and/or district website • Student registration • Beginning-of-the-year events (Meet the Teacher/Open House) • Annual Title I Meetings • Parent-Teacher Conferences • Email and other electronic communication platforms • Printed copies available upon request through the campus office This policy is also available in Spanish and, to the extent practicable, in a language that parents can understand.
Family Meetings	In addition to Title I meetings, campuses conduct family meetings on a variety of topics that provide families with information, resources, and opportunities to actively participate in their child's education while strengthening the partnership between home and school. These meetings offer families an opportunity to communicate and collaborate with the school, ensuring that essential information is shared and that parents feel valued as partners in their child's education. Parent meetings take place monthly. In August, campus staff meet with parent educators and parent volunteers to discuss the importance of the family unit and review Title I requirements. During this time, teachers and staff are educated on the value and utility of

	parent and family contributions, and on how to effectively reach out to, communicate with, and collaborate with families as equal partners. In September, each campus must hold two Title I Meetings on different days and times. Campus administrators and Parent Educators work collaboratively to plan and implement the Annual Title I Meetings. The principal or principal's designee leads the required Title I information, while the Parent Educator assists with coordination, parent outreach, logistics, and documentation. In the spring semester, parents come together to provide feedback on the Campus Parent and Family Engagement Policy. In addition to this policy, meetings are also held throughout the year to review and update the School–Parent Compact and the Campus Improvement Plan. It is essential that a committee of parents, parent educators, and administrators plan, develop, evaluate, and revise Title I documentation consistently throughout the year to ensure compliance and meaningful family engagement.
Ways Parents and Families Can Get Involved	Parents and family members are encouraged to become active partners in their child's education by volunteering, participating in campus events, attending trainings, and serving on campus committees. Parents interested in volunteering may complete the required volunteer forms and attend a volunteer orientation. They, along with parents who are not volunteers, are invited to participate in family trainings, activities, and campus events throughout the school year. A variety of communication methods are used to invite families to meetings and activities, including, but not limited to, • personal phone calls • ClassDojo • Mass Messenger • personal invitations • email • the campus website • social media • other campus communication platforms. • Parents are encouraged to actively participate in the planning, review, and continuous improvement of the • Campus Parent & Family Engagement Policy • School-Parent Compact, the Campus Improvement Plan • other Title I programs Parent input is valued and carefully considered when making decisions that support student achievement, strengthen family partnerships, and improve campus programs. If the Campus Improvement Plan is not satisfactory to parents, parent comments will be documented and submitted to the district when the plan is provided, in accordance with the Every Student Succeeds Act (ESSA).

Family Trainings/ Activities	Family engagement trainings provide parents and family members with opportunities to gain knowledge, develop new skills, and access valuable resources that support student learning both at home and at school. Participation in these trainings and school events empowers families to support their children’s learning at home, strengthen relationships with the school community, and become active partners in their child’s academic and social success. • Meet the Teacher Night/Open House at Elementary and Secondary Campuses (August 2026 and March 2027) • Parent-Teacher Conferences (All Grade Levels-August 2026-May 2027) • Cultural Family Night (September 2026) • Halloween Trunk/Treat Family Night (October 2026) • Red Ribbon Parade (October 2026) • National Parent Involvement Day (November 2026) • School Health Advisory Meetings (November 2026, March 2027, May 2027) • Cafe Sessions with Counselors (September 2026-May 2027) • Christmas Posada Family Event (December 2026) • District Advisory Council Officer Meetings for all Parent Officers from all Campuses (October 2026, December 2026 and March 2027) • Title I Campus Meetings (September 2026) • Campus Policy Campus Meetings (November 2026) • Campus Compact Meetings (February 2027) • Campus Plan Feedback Meetings (April 2027) • Attendance Meetings (October 2026) • Curriculum Meetings (December 2026) • Understanding Assessment Meetings (January 2027)

Forms of Academic Assessments	John McKeever Elementary all students participate in common formative assessments aligned to the TEKS Resource System to ensure consistency in instruction and academic expectations across the campus. These assessments help teachers monitor student progress and guide instructional decisions throughout the school year. Previous STAAR tests are released and utilized for assessment and instruction in addition to other curriculum.			
Expected Achievement levels on academic assessments	The State's Performance Standards can be found on this website: https://tea.texas.gov/studentassessment/testing/staar/staarperformance-standards John McKeever Elementary tracks each child's growth throughout the year via local assessments (mentioned above). Each child has a folder where teachers help them track their own learning growth.			
Ways to Request regular meetings	John McKeever Elementary values open communication and welcomes every family as an important partner in their child's education. Parents and guardians are encouraged to share suggestions, ideas, questions, and concerns during monthly parent meetings or by scheduling an individual conference with a teacher or campus administrator. Meetings may be requested by visiting the campus, calling the school, or contacting staff by email. John McKeever Elementary welcomes any ideas, feedback and/or concerns; we value each family in our school district.			
Additional Parent Support	John McKeever Elementary values the input of every parent and family. In addition to the Parent & Family Engagement activities described in this policy, the campus will provide other reasonable support for parent and family engagement activities, as requested by parents, to the extent practicable and consistent with available resources. Requests for additional parent and family engagement support will be reviewed collaboratively by campus administration and the Parent Educator to determine appropriate assistance that strengthens family engagement and supports student success.

2025-2026 Programa de Participación de Padres y Familias (PFE)

¿Qué es?	John McKeever Elementary está comprometida con nuestra visión: La familia de la Escuela Primaria John McKeever cree que todos sus estudiantes pueden crecer académicamente, aprender y alcanzar su máximo potencial en las aulas, en su comunidad y más allá. Como parte de la familia de PSJA, nos esforzamos por brindar una educación de alta calidad, adaptada a las necesidades individuales de cada estudiante, mediante el desarrollo y fortalecimiento de relaciones positivas con las familias y la comunidad. El programa estatal Título I, Parte A proporciona fondos a las escuelas con un alto porcentaje de estudiantes en situación de desventaja económica. Estos fondos permiten que nuestra escuela cumpla con las expectativas establecidas por la Agencia de Educación de Texas (TEA) y el Departamento de Educación de los Estados Unidos, al mismo tiempo que fortalece la participación de las familias para apoyar el éxito académico de todos los estudiantes.
Fondos	Los fondos de Título I serán destinados al programa de Participación de los Padres y las Familias. Los programas, actividades y procedimientos relacionados con la participación familiar serán planificados e implementados en colaboración significativa con los padres de los estudiantes participantes.
Revisión	Esta Política de Participación de los Padres y las Familias ha sido desarrollada conjuntamente con los padres y aprobada por ellos, de conformidad con la Ley Cada Estudiante Triunfa (Every Student Succeeds Act - ESSA), Sección 1116. La política será revisada cada año junto con los padres para evaluar su eficacia y realizar las modificaciones necesarias con base en: • Los comentarios y sugerencias de los padres. • Las necesidades del plantel. • Los datos del rendimiento académico de los estudiantes.
Distribución de la Política	Esta Política de Participación de los Padres y las Familias se revisa anualmente con los padres y se distribuye a las familias al inicio de cada ciclo escolar. Para garantizar que todas las familias tengan acceso a esta información, la política estará disponible a través de diversos medios, entre ellos: • Sitio web del plantel y/o del distrito • Registro e inscripción de estudiantes • Eventos de inicio del ciclo escolar (Conozca al Maestro / Casa Abierta) • Reuniones Anuales de Título I • Conferencias entre Padres y Maestros • Correo electrónico y otras plataformas de comunicación electrónica • Copias impresas disponibles en la oficina del plantel cuando sean solicitadas Esta política también estará disponible en español y, en la medida de lo posible, en un idioma que los padres puedan comprender.
Reuniones de	Además de las reuniones de Título I, los planteles llevan a cabo reuniones familiares sobre diversos temas con el propósito de apoyar, informar y

Familias	fortalecer a las familias, brindándoles información valiosa y promoviendo una mayor participación en la educación de sus hijos. Estas reuniones ofrecen a las familias la oportunidad de comunicarse y colaborar con la escuela, asegurando que la información importante sea compartida y que los padres sean reconocidos como socios fundamentales en la educación de sus hijos. Las reuniones para padres se llevan a cabo mensualmente. Durante el mes de agosto, el personal del plantel se reúne con el Educador(a) de Padres y los padres voluntarios para dialogar sobre la importancia de la familia y revisar los requisitos de Título I.
