

Foxview Intermediate School

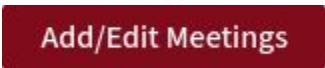

Parent Teacher Conferences

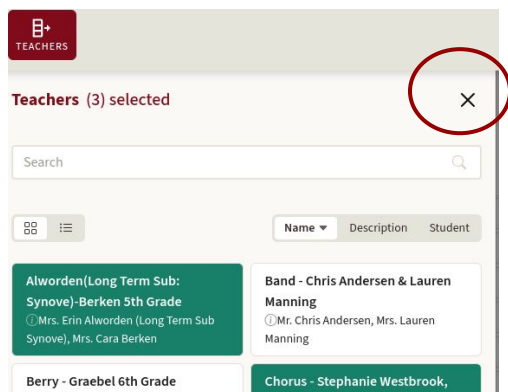

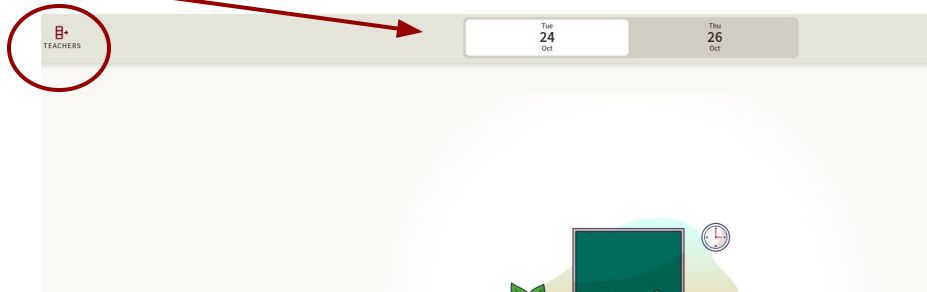

Sign Up Instructions

Use the links below to schedule your child's conference. Please note that each school (including the high school) has its own login page. If you are scheduling multiple children at different schools, **you will need to log into each school separately.**

[Foxview PTC Link](#)

- If you have previously used PTC Wizard and have an account, enter your credentials and select . If you have not, select  on the bottom right and create an account.
- Once logged in to your home screen, click .
- From this window, select a date and click the “Teachers” button
- Select all of the teachers that you would like to conference with and close out the window by clicking on the X

- Select which times you would like to meet with each teacher or team of teachers and click on the  button in the top right corner.
- Your parent/teacher schedule will then appear on the right of your screen. Click on

and you will be taken back to your homescreen with all of your scheduled conferences listed.
