Preppers

The 1976-77 edition of MCI ''Preppers'' had a very successful campaign, ending with a 14-3 record. Included in this record are victories over such teams as: Boston College, Harvard, and the Univ. of Maine. ''The Preppers'' season came to an end at Brandeis University, the sight of the New England Prep School Championship where MCI lost to Worchester Academy in the finals by 9 points.

Leading the ''Preppers'' in scoring was Dwan Chandler with a 28.7 per game average. The Boston native also led the team in assists with a per game average of 8 and was exceptional in every phase of the game.

Giving Chandler ample assistance and showing great team balance were: Lenny Walker (15.0 ppg), Paul Mahoney (15.0 ppg), John Riggs (13.5), Harry Xarras (10 ppg). John Riggs and Harry Xarras along with John Jacobe and Edsall Walker did most of the rebounding for MCI.

The pressing, offensive minded ''Preppers'' showed great unity and teamwork in producing one of the finest records ever at MCI. The 1976-77 ''Preppers'' were indeed successful and represented MCI admirably.

Coach Hamlin

Varsity

Despite an 8-10 record, the undergraduate varsity boys played with the heart and determination of a winner. With only one returning starter, the team played at a .500 clip throughout most of the season. Although short in stature and plagued by injuries the ''Huskies'' never gave less than 100% in every game.

Led by Capt. Craig Littlefield and fellow back court partner Brian Leavitt, MCI was able to outplay most teams at the guard position. David Curtis showed vast improvement and gave the ''Huskies'' good strength under the basket.

With 7 returning lettermen coming back next year MCI should again be in the thick of tournament contention. The '76-'77 varsity boys gave continuity to the past successes of MCI and have insured continued success next year.

Test Prayer

Now I lay me down to study
I pray the Lord I won't go nutty
And if I fail to learn this junk
I pray the Lord that I won't flunk
But if I do, don't pity me at all,
Just lay my bones in the study hall.
Tell my teacher I've done my best,
Then pile my books upon my chest.
Now I lay me down to rest,
To pray I'll pass tomorrow's test.
If I die before I wake,
That's one less test I'll have to take.
