School & Community Profile

Monroe Township is a growing suburban community, consisting of approximately 43 square miles, in Middlesex County, NJ. The district is centrally located, north of the state capital, Trenton, and east of Princeton. The township is located fifty miles south of New York City and about fifty miles north of Philadelphia with a population of approximately 50,000. Monroe Township parents are employed in various occupations in the surrounding areas and metropolitan cities.

Monroe Township High School is a rapidly growing high school with approximately 2600 students and 300 staff members. The high school offers state-of-the-art technology, including a one to one iPad initiative intended to provide all students with the opportunity to integrate technology into every facet of their educational experience. As an evolving, educational community, Monroe Township High School will design, develop, and deliver an educational program, which fosters intellectual and personal growth by providing all students with an equal opportunity to acquire the knowledge, skills and strategies needed to become productive, responsible citizens contributing to society.

Our School

Distinguished
School

Enrollment:

Grade 9: 560 Students
Grade 10: 650 Students
Grade 11: 610 Students
Grade 12: 659 Students

Faculty

215 certified staff members

Average Teaching Experience: 12 years

Advanced Degrees: 37%

Doctorates: 4%

Student to faculty ratio: 14:1

Counseling Department

At Monroe Township High School, our Counseling Department offers a comprehensive program across all four grade levels, with a strong emphasis on guiding students through the post-secondary planning process.

MTHS counselors work with the same group of students throughout all four years of high school, maintaining an average student-to-counselor ratio of 310:1.

Our Students

MTHS students engage in a rigorous college preparatory curriculum. Our students continuously score amongst the highest in the country in key metrics.

Visual/Performing Art	1 Year	5 Credits
21 st Century Life & Careers	1 Year	5 Credits
Financial Literacy	1 Year	5 Credits
PE/Health	4 Years	20 Credits
Electives	4 Years	10 Credits

GPA & Class Rank

To encourage students to take a more rigorous academic program beyond the standard requirements, a system of academic incentives has been implemented at MTHS. Eligible students will receive additional points added to their GPA in designated courses for the purpose of calculating class rank. To receive these extra points a student must pass the course.

Courses that receive extra points:

- Honors level courses receive eight (8) extra points.
- AP courses receive ten (10) extra points.

MTHS acknowledges the usefulness of a system of computing grade point averages and class ranking for graduates, both to inform pupils of their relative academic placement among their peers and to provide pupils, prospective employers, and institutions of higher learning with a predictive device so that each pupil is more likely to be placed in an environment conducive to success.

Academies

AVID

Advancement Via Individual Determination is a four-year cohort program designed to close the opportunity gap by preparing all students for college/career readiness and academic success, transforming the school culture from college & career eligible to college & career ready. There is an emphasis on analytical writing, inquiry, research, collaboration, and community engagement.

Honors STEM

Designed to prepare students for a competitive post-secondary education by placing students in rigorous honors and Advanced Placement courses within a cohort. STEM academy educators provide students with rich experiences that embed career-based concepts into the curriculum. This application-based program offers tracks in Biomedical, Engineering, and Computer Science/Information Technology and includes participation in the AP Capstone program to apply research skills and content expertise in a culminating project.

Honors Business

Students in this application-based academy engage in a wide variety of challenging courses to prepare for Post-secondary education and careers in the field of business. This program provides students with the opportunity to earn dual enrollment credit, engage in both work-based learning experiences, and participate in the AP Capstone program. The Honors Business Academy offers tracks in Business Management, Economics/Finance, and Marketing.

SCHEDULING

84 Minute classes, 4 Classes/day, 2 Day rotation. Students take final exams in June.

Grading Scale

MTHS utilizes a numeric grading system to assess student performance. Under this system, a grade below 65 is considered failing.

I= Incomplete WP= Withdrew Passing
P=Pass WF= Withdrew Failing
WFA= Withdrew Failing (Attendance)
