

ATTENDANCE BOUNDARIES

September 28, 2026

2027-2028 School Year

ADJUSTING ATTENDANCE BOUNDARIES

Guiding Growth Strategies

- Prevent Campus Overcrowding
 - Unsafe environment with too many students/staff in a building
 - Creates overcrowded classrooms that could negatively impact the learning environment
- Maintain Student/Teacher Ratios
- Minimize Future Boundary Changes and its Impact on Students
- Improve Efficiency of Schools
- Consider the Opening of New Campuses

Our goal is to establish a boundary that best balances student enrollment, campus capacity, future growth, transportation, and the long-term needs of our students and community.

DISTRICT ATTENDANCE BOUNDARY COMMITTEE

District Personnel

Dr. Mark Foust, Superintendent

Sarah Stewart, Chief of Facilities

Dr. Michael Griffin, Assistant Superintendent for Curriculum & Instruction

Kim Barker, Assistant Superintendent for Human Resources

Chris Hill, Exe. Director of Secondary Education

Justin Elementary School <i>(East of F.M. 156)</i>	J.C. Thompson Elementary School <i>(Currently Unpopulated Portion)</i>	Sendera Ranch Elementary School	Love Elementary School
Lakeview Elementary School	Peterson Elementary School	Schluter Elementary School	Perrin Elementary School
Lance Thompson Elementary School		Seven Hills Elementary School	Prairie View Elementary School
Roanoke Elementary School			Romer Elementary School

ATTENDANCE BOUNDARY RECOMMENDATIONS

STUDENTS REZONED TO A NEW HIGH SCHOOL

Rising Freshmen & Sophomores rezoned to Davis High School may remain at their current high school if they:

- Are enrolled in an **academy** at their current high school
- Are attending under a **staff transfer**
- Have a **rising junior sibling** who will remain at the current high school

Sibling Exception:

- Eligible students may remain through **high school graduation**, provided they maintain **good attendance and behavior**
- **No district transportation** will be provided for students choosing to remain
- **Younger siblings not yet in high school during 2027–28 are not eligible** under this exception.

ATTENDANCE BOUNDARY RECOMMENDATIONS

STUDENTS REZONED BETWEEN EXISTING HIGH SCHOOLS

Students in Grades 10–12 during 2027–28 may remain at their current high school when rezoned, based on available capacity and district regulations.

- **12th Grade:** May remain at their current high school
- **10th & 11th Grade:** May remain at their current high school due to available capacity
- Students must maintain **good attendance and behavioral standing**
- Students who choose to remain **will not receive district-provided transportation**
