Request for Student Club

I, Ashley Shutt, request that Class of 2030
(Name of Faculty Advisor/Club President) (Name of the student club)

be approved by the Board of Education as a Sweet Home Central School District affiliated student organization. I understand the following legal requirements, Board policies, and school regulations:

1. All school-affiliated clubs shall have open membership to all students in the "class."

2. A club advisor, annually approved by the Board of Education at the Reorganization Meeting, shall be in attendance at all club functions.

3. The primary objectives of the school clubs are either educational or service to the school. Clubs whose major purpose is social will not be recognized.

4. Club recognition and charter is on a year-to-year basis, renewed at the Board of Education's Reorganization Meeting.

5. All student fundraising activities must be prior approved by the [High/Middle/Elementary] School Principal and Student Extraclassroom Activity Funds Central Treasurer, and all student fundraising money must be managed through the Student Extraclassroom Activity Fund.

6. No initiations of any kind are permissible.

7. All affiliated and chartered clubs shall have a roster of members on file with the [High/Middle/Elementary] School Principal.

The club is held subject to all rules and regulations of the school, Board of Education policies, Commissioner of Education Regulations, New York State laws, and student organizations and conditions stated in the Club Constitution. Violation of any of these provisions will be sufficient cause for the charter to be revoked.
