

Dear Jackson-Milton Families:

As we complete the first weeks of the new school year, I wanted to take a moment to thank you for your continued support of Jackson-Milton Local Schools.

The beginning of a school year is always an exciting and busy time. Our students and staff have worked hard to get into routines, establish expectations, and begin the important work of teaching and learning. It has been great to see our students back in the classrooms, participating in activities, making new friends, and representing our school with Blue Jay Pride.

I also want to thank our teachers, administrators, support staff, bus drivers, cafeteria staff, custodians, coaches, and everyone who works each day to make our schools a positive place for students. Their commitment to our children is what makes Jackson-Milton such a special school district.

As parents and guardians, your partnership is extremely important. Please continue to encourage your children to attend school regularly, complete their work, communicate with their teachers, and take advantage of the many opportunities available to them. If you ever have a question or concern, I encourage you to contact the appropriate staff member or school office so that we can work together to address it.

Yours in Education,

Kirk W. Baker
Superintendent
