GAME DAY EXPECTATIONS FOR STUDENTS, FAMILIES & SPECTATORS

As sports seasons begin, we are excited to welcome our students, families, and community back to Manteca High School!

Our athletic events are an opportunity to come together, support our student-athletes, and show our Buffalo Pride. To help keep our games safe, positive, and enjoyable for everyone, we ask all students, families, and spectators to follow Manteca High School and Manteca Unified School District expectations while attending games.

Student Expectations

- Students are expected to follow all school and district rules while attending athletic events.
- **Non-MHS students/children must attend with a paying adult.**
- **Anyone violating event rules may be ejected without a refund, with additional school/district consequences when appropriate.**
- **No student backpacks allowed**
- Students should remain in appropriate spectator areas and avoid running, roughhousing, or gathering in areas that interfere with other guests.
- Students must follow directions from administrators, staff, security, and event personnel.
- Fighting, harassment, inappropriate language or behavior, vaping, tobacco, alcohol, drugs, and other prohibited items are not permitted.
- Students should demonstrate respect toward players, coaches, officials, staff, visiting teams, and fellow spectators.
- Students who do not follow expectations may be asked to leave the event and may be subject to additional school or district consequences when appropriate.

A Reminder for All Spectators

We ask our parents, guardians, and community members to help set an example for our students by demonstrating respectful and appropriate behavior. Tobacco, alcohol, drugs, and other prohibited items are not permitted on school property or at school-sponsored events. Spectators who do not follow event expectations or district policies may be asked to leave.

BE SAFE. BE RESPECTFUL. SHOW BUFFALO PRIDE.

GO BUFFS!
