TARKINGTON ISD

Home of the Longhorns

September 29, 2026

Tarkington ISD would like to make TMS families aware of a medical situation that occurred on campus today involving a student.

The student experienced a medical episode while at school, and emergency medical services were called and responded immediately.

During the emergency response, the campus was briefly placed in a **Hold** to allow emergency personnel to safely assess and assist the student while minimizing activity in the surrounding area. The Hold has since been lifted, and normal campus operations have resumed. The student was released to their parents, who are seeking further medical evaluation.

Out of respect for the privacy of the student and family, the district will not be providing additional information regarding the student's identity or medical condition.

We appreciate the quick response of our staff and emergency personnel, as well as the cooperation of our students during the situation. Thank you for your understanding and for helping us respect the privacy of the student and family.

HOLD! In your room or area. Clear the halls.

STUDENTS
Clear the hallways and remain in room or area until the "All Clear" is announced
Do business as usual

ADULTS
Close and lock the door
Account for students and adults
Do business as usual
