

Cartersville Middle School Physical Packet

Dear Parent's/Guardian's,

Please ensure that your student's physical packet is complete before returning it the school. This includes but not limited to the following:

- STUDENTS NAME
- STUDENTS BIRTHDAY
- PARENT/GUARDIAN SIGNATURE
- DOCTORS OFFICE STAMP FOR AUTHENTICITY
- ELIGIBILITY CHECKED
- COMPLETION OF CCS CONCUSSION/CARDIAC/MEDICAL RELEASE FORMS
- STUDENTS SIGNATURE ON CONCUSSION/CARDIAC FORMS
- PARENT/GUARDIAN INITIALS WHERE REQUIRED ON MEDICAL RELEASE

PHYSICALS AND CCS FORMS EXPIRE 1YR FROM PHYSICAL DATE

Return Completed Physical Packet to **MRS. PREWETT** in the Front Office.

NOT STUDENT'S TEACHER(S) OR COACHES

****NOTE: ONLY ORIGINALS WILL BE ACCEPTED. NO COPIES****

Please feel free to reach out to Mrs. Prewett if you have any questions regarding your student's physical.

Thank you

■ PREPARTICIPATION PHYSICAL EVALUATION

HISTORY FORM

Note: Complete and sign this form (with your parents if younger than 18) before your appointment.

Name: _____ Date of birth: _____

Date of examination: _____ Sport(s): _____

Sex assigned at birth: _____

List past and current medical conditions. _____

Have you ever had surgery? If yes, list all past surgical procedures. _____

Medicines and supplements: List all current prescriptions, over-the-counter medicines, and supplements (herbal and nutritional). _____

Do you have any allergies? If yes, please list all your allergies (ie, medicines, pollens, food, stinging insects). _____

Patient Health Questionnaire Version 4 (PHQ-4)

Over the last 2 weeks, how often have you been bothered by any of the following problems? (check box next to appropriate number)

	Not at all	Several days	Over half the days	Nearly every day
Feeling nervous, anxious, or on edge	☐ 0	☐ 1	☐ 2	☐ 3
Not being able to stop or control worrying	☐ 0	☐ 1	☐ 2	☐ 3
Little interest or pleasure in doing things	☐ 0	☐ 1	☐ 2	☐ 3
Feeling down, depressed, or hopeless	☐ 0	☐ 1	☐ 2	☐ 3

(A sum of ≥ 3 is considered positive on either subscale [questions 1 and 2, or questions 3 and 4] for screening purposes.)

GENERAL QUESTIONS

(Explain "Yes" answers at the end of this form.

Circle questions if you don't know the answer.)

	Yes	No
1. Do you have any concerns that you would like to discuss with your provider?	☐	☐
2. Has a provider ever denied or restricted your participation in sports for any reason?	☐	☐
3. Do you have any ongoing medical issues or recent illness?	☐	☐
HEART HEALTH QUESTIONS ABOUT YOU		
	Yes	No
4. Have you ever passed out or nearly passed out during or after exercise?	☐	☐
5. Have you ever had discomfort, pain, tightness, or pressure in your chest during exercise?	☐	☐
6. Does your heart ever race, flutter in your chest, or skip beats (irregular beats) during exercise?	☐	☐
7. Has a doctor ever told you that you have any heart problems?	☐	☐
8. Has a doctor ever requested a test for your heart? For example, electrocardiography (ECG) or echocardiography.	☐	☐

HEART HEALTH QUESTIONS ABOUT YOU (CONTINUED)

	Yes	No
9. Do you get light-headed or feel shorter of breath than your friends during exercise?	☐	☐
10. Have you ever had a seizure?	☐	☐
HEART HEALTH QUESTIONS ABOUT YOUR FAMILY		
	Yes	No
11. Has any family member or relative died of heart problems or had an unexpected or unexplained sudden death before age 35 years (including drowning or unexplained car crash)?	☐	☐
12. Does anyone in your family have a genetic heart problem such as hypertrophic cardiomyopathy (HCM), Marfan syndrome, arrhythmogenic right ventricular cardiomyopathy (ARVC), long QT syndrome (LQTS), short QT syndrome (SQTS), Brugada syndrome, or catecholaminergic polymorphic ventricular tachycardia (CPVT)?	☐	☐
13. Has anyone in your family had a pacemaker or an implanted defibrillator before age 35?	☐	☐

PHYSICAL EXAMINATION FORM

Name: _____ (First Name) _____ (Last Name) Date of birth: _____

PHYSICIAN REMINDERS

- Consider additional questions on more-sensitive issues.
 - Do you feel stressed out or under a lot of pressure?
 - Do you ever feel sad, hopeless, depressed, or anxious?
 - Do you feel safe at your home or residence?
 - Have you ever tried cigarettes, e-cigarettes, chewing tobacco, snuff, or dip?
 - During the past 30 days, did you use chewing tobacco, snuff, or dip?
 - Do you drink alcohol or use any other drugs?
 - Have you ever taken anabolic steroids or used any other performance-enhancing supplement?
 - Have you ever taken any supplements to help you gain or lose weight or improve your performance?
 - Do you wear a seat belt, use a helmet, and use condoms?
- Consider reviewing questions on cardiovascular symptoms (Q4–Q13 of History Form).

EXAMINATION		
Height:	Weight:	
BP: / (/)	Pulse:	Vision: R 20/ L 20/ Corrected: ☐ Y ☐ N
MEDICAL	NORMAL	ABNORMAL FINDINGS
Appearance Marfan stigmata (kyphoscoliosis, high-arched palate, pectus excavatum, arachnodactyly, hyperlaxity, myopia, mitral valve prolapse [MVP], and aortic insufficiency)	☐	
Eyes, ears, nose, and throat - Pupils equal - Hearing	☐	
Lymph nodes	☐	
Heart ^a Murmurs (auscultation standing, auscultation supine, and ± Valsalva maneuver)	☐	
Lungs	☐	
Abdomen	☐	
Skin Herpes simplex virus (HSV), lesions suggestive of methicillin-resistant <i>Staphylococcus aureus</i> (MRSA), or tinea corporis	☐	
Neurological	☐	
MUSCULOSKELETAL	NORMAL	ABNORMAL FINDINGS
Neck	☐	
Back	☐	
Shoulder and arm	☐	
Elbow and forearm	☐	
Wrist, hand, and fingers	☐	
Hip and thigh	☐	
Knee	☐	
Leg and ankle	☐	
Foot and toes	☐	
Functional Double-leg squat test, single-leg squat test, and box drop or step drop test	☐	

^a Consider electrocardiography (ECG), echocardiography, referral to a cardiologist for abnormal cardiac history or examination findings, or a combination of those.

■ PREPARTICIPATION PHYSICAL EVALUATION

MEDICAL ELIGIBILITY FORM

Name: _____ Date of birth: _____

☐ Medically eligible for all sports without restriction

☐ Medically eligible for all sports without restriction with recommendations for further evaluation or treatment of

☐ Medically eligible for certain sports

☐ Not medically eligible pending further evaluation

☐ Not medically eligible for any sports

Recommendations: _____

I have examined the student named on this form and completed the preparticipation physical evaluation. The athlete does not have apparent clinical contraindications to practice and can participate in the sport(s) as outlined on this form. A copy of the physical examination findings are on record in my office and can be made available to the school at the request of the parents. If conditions arise after the athlete has been cleared for participation, the physician may rescind the medical eligibility until the problem is resolved and the potential consequences are completely explained to the athlete (and parents or guardians).

Name of health care professional (print or type): _____ Date: _____

Georgia High School Association

Student/Parent Concussion Awareness Form

SCHOOL: Cartersville Middle School

DANGERS OF CONCUSSION

Concussions at all levels of sports have received a great deal of attention and a state law has been passed to address this issue. Adolescent athletes are particularly vulnerable to the effects of concussion. Once considered little more than a minor "ding" to the head, it is now understood that a concussion has the potential to result in death, or changes in brain function (either short-term or long-term). A concussion is a brain injury that results in a temporary disruption of normal brain function. A concussion occurs when the brain is violently rocked back and forth or twisted inside the skull as a result of a blow to the head or body. Continued participation in any sport following a concussion can lead to worsening concussion symptoms, as well as increased risk for further injury to the brain, and even death.

Player and parental education in this area is crucial – that is the reason for this document. Refer to it regularly. This form must be signed by a parent or guardian of each student who wishes to participate in GHSA athletics. One copy needs to be returned to the school, and one retained at home.

COMMON SIGNS AND SYMPTOMS OF CONCUSSION

- Headache, dizziness, poor balance, moves clumsily, reduced energy level/tiredness
- Nausea or vomiting
- Blurred vision, sensitivity to light and sounds
- Foggiess of memory, difficulty concentrating, slowed thought processes, confused about surroundings or game assignments
- Unexplained changes in behavior and personality
- Loss of consciousness (NOTE: This does not occur in all concussion episodes.)

BY-LAW 2.68: GHSA CONCUSSION POLICY: In accordance with Georgia law and national playing rules published by the National Federation of State High School Associations, any athlete who exhibits signs, symptoms, or behaviors consistent with a concussion shall be immediately removed from the practice or contest and shall not return to play until an appropriate health care professional has determined that no concussion has occurred. (NOTE: An appropriate health care professional may include licensed physician (MD/DO) or another licensed individual under the supervision of a licensed physician, such as a nurse practitioner, physician assistant, or certified athletic trainer who has received training in concussion evaluation and management.

a) No athlete is allowed to return to a game or a practice on the same day that a concussion (a) has been diagnosed, OR (b) cannot be ruled out.

b) Any athlete diagnosed with a concussion shall be cleared medically by an appropriate health care professional prior to resuming participation in any future practice or contest. The formulation of a gradual return to play protocol shall be a part of the medical clearance.

By signing this concussion form, I give Cartersville Middle School permission to transfer this concussion form to the other sports that my child may play. I am aware of the dangers of concussion and this signed concussion form will represent myself and my child during the **26-27** school year. This form will be stored with the athletic physical form and other accompanying forms required by the Cartersville City School School System.

I HAVE READ THIS FORM AND I UNDERSTAND THE FACTS PRESENTED IN IT.

Georgia High School Association Student/Parent Sudden Cardiac Arrest Awareness Form

CARTERSVILLE MIDDLE SCHOOL

1: Learn the Early Warning Signs

If you or your child has had one or more of these signs, see your primary care physician:

- Fainting suddenly and without warning, especially during exercise or in response to loud sounds like doorbells, alarm clocks or ringing phones
- Unusual chest pain or shortness of breath during exercise
- Family members who had sudden, unexplained and unexpected death before age 50
- Family members who have been diagnosed with a condition that can cause sudden cardiac death, such as hypertrophic cardiomyopathy (HCM) or Long QT syndrome
- A seizure suddenly and without warning, especially during exercise or in response to loud sounds like doorbells, alarm clocks or ringing phones

2: Learn to Recognize Sudden Cardiac Arrest

If you see someone collapse, assume he has experienced sudden cardiac arrest and respond quickly. This victim will be unresponsive, gasping or not breathing normally, and may have some jerking (Seizure like activity). Send for help and start CPR. You cannot hurt him.

3: Learn Hands-Only CPR

Effective CPR saves lives by circulating blood to the brain and other vital organs until rescue teams arrive. It is one of the most important life skills you can learn – and it's easier than ever.

- Call 911 (or ask bystanders to call 911 and get an AED)
- Push hard and fast in the center of the chest. Kneel at the victim's side, place your hands on the lower half of the breastbone, one on top of the other, elbows straight and locked. Push down 2 inches, then up 2 inches, at a rate of 100 times/minute, to the beat of the song "Stayin' Alive."
- If an Automated External Defibrillator (AED) is available, open it and follow the voice prompts. It will lead you step-by-step through the process, and will never shock a victim that does not need a shock.

*By signing this sudden cardiac arrest form, I give Cartersville ~~MIDDLE SCHOOL~~ permission to transfer this sudden cardiac arrest form to the other sports that my child may play. I am aware of the dangers of sudden cardiac arrest and this signed sudden cardiac arrest form will represent myself and my child during the **26-27** school year. This form will be stored with the athletic physical form and other accompanying forms required by the Cartersville City School System.*

INITIAL EACH OF THE FOLLOWING CONSENT STATEMENTS TO SHOW THAT THE STATEMENT HAS BEEN READ, UNDERSTOOD, AND AGREED UPON

	I consent to have my son/daughter represent his/her school in approved activities except those excluded by the examining physician.
	I grant permission for my son/daughter to accompany any school team of which he/she is a member on all approved trips. He/she will be transported to/from all events in school-approved vehicles. Parents wishing to have their child with them when returning from an event must make arrangements with the coach.
	In the event of an emergency or injury requiring medical attention, I expect every reasonable attempt to be made to contact me. In case I cannot be reached, I grant permission for any immediate treatment deemed necessary by the attending physician, and agree to transport of my child to a medical facility. This authorization does not cover major surgery unless formally decreed prior to surgery by at least two licensed physicians or dentists.
	I agree not to hold the school or anyone acting on its behalf responsible for any injury occurring to my child in the proper course of athletic activities or travel to/from events of the team.
	I acknowledge and accept that there are risks of physical injury involved in athletic participation which may result in injury, serious injury, permanent paralysis, mental disability, and/or death.
	I consent to the release of any medical information that the school is aware of for the treatment of my child who may be injured, including to agents or contracted providers of the school, including but not limited to therapists and athletic trainers.
