1. Narrative description of the Proposition 28 arts education programs funded (2500 character limit).

Fontana Unified School District launched a multi-year plan to expand and enrich arts education across all grade levels using Proposition 28 funding. For the 2025–2026 school year, Proposition 28 Arts and Music funding supported the retention of arts teachers, specialized arts education advisors, and a dedicated Proposition 28 budget technician. Funding also supported arts instruction, professional development, supplies and materials, community arts partnerships, and enrichment experiences across 45 school sites. Additionally, Proposition 28 funding provided foundational arts materials and supplies to support the opening of Fontana Unified School District's 45th school, Oak Grove Preparatory Academy. These investments support a wide range of arts disciplines, including music, visual arts, theatre, dance, and media arts, providing students throughout the District with increased access to meaningful and engaging arts education experiences. Budget priorities and recommendations were informed by input gathered from community members, arts educators, students, and administrators throughout the District, helping ensure Proposition 28 funding reflects the needs and priorities of Fontana Unified's students and school communities.
