

SCREENAGERS

presented by Stigma180

Join Eastern Carver County Schools in partnership with Community Education, Carver County, and Screenagers for a community engagement opportunity to learn about current issues impacting today's youth. Come watch a 60 minute film followed by a Q&A with a panel of school and community staff. A light meal will be provided.

Chaska High School Blue Forum

545 Pioneer Trail Chaska, MN 55318

6:00 PM Light Meal

6:30-7:30 PM: Film

7:30-8:00 PM: Panel Discussion/Questions

Open to Everyone

These films are intended for students, families, school staff, and community members. We welcome all who are interested in learning, connecting, and engaging in meaningful conversation.

Last-minute plans? Even if you didn't RSVP, we'd love to have you!

Monday, October 5

Screenagers: Growing Up in the Digital Age Elementary Edition (Grades K-5)

This film explores the impact of early social media exposure, classroom device distractions, video game use, and youth sleep deprivation. It offers practical strategies to help parents and schools have age-appropriate conversations and create consistent expectations at home and at school.

Monday, October 19

Screenagers: Growing Up in the Digital Age Teen Edition (Grades 6-12)

This film will discuss social media, video games, academics, and internet addiction in today's youth. This film will help adults offer actionable solutions to empower kids to navigate the digital age and find a balance of technology use.

Monday, February 1

Mental Health in a Digital Age (Grades 6+)

This film explores adolescent stress, anxiety, and depression in the digital age. It helps adults better understand what teens are experiencing while encouraging empathy, open communication, and healthy responses to the challenges of growing up online.

Monday, March 1

Generation AI (Grades 6+)

Explores what to be done to mitigate the risks AI poses to young people's learning, relationships and mental health.

Thursday, April 15

Under the Influence-Addressing Vaping, Drugs, and Alcohol in the Digital Age (Grades 6+)

This film offers practical strategies to help keep teens safe. It debunks common myths and provides tools to support healthy decision-making, teen mental health, appropriate boundaries, and healthier home environments.
