Parent and Family Engagement District Policy 2026-2027

Clint ISD created this Parent and Family Engagement (PFE) policy to show our commitment to working with families. This policy explains how we will support and strengthen the partnership between schools and parents. It also describes how we will help staff and families learn how to work together, using strategies and activities found in each school's plan (CIP) and the district's plan (DIP) to help all students succeed. This Parent and Family Engagement Policy has been developed jointly with, and agreed upon with parents of children participating in the Title I, Part A program on May 22, 2025.
