Dear Parents,

We had a visit from another friend from Letter People Land. It was Mr. N, and he has a very noisy nose! Mr. N always brings so many fun and exciting activities.

This week, we really focused on learning our numbers 1-5. We practiced counting and writing our numbers. We played Number Bingo and made a number book. At center time, we played number games and counting games.

On Wednesday, we read the book, *The Best Nest* by P.D. Eastman. We made our own birds' nests out of construction paper, raffia and newspaper strips. We added a cute little "Ollie" to each nest. They are already on display in our classroom!

On Thursday, we made beautiful necklaces with our initials on them. The children enjoyed this activity very much!. We also had nachos for snack!

In addition to learning all about the letter Nn, we have also been learning about our five senses. We discussed how we use our five senses, and we made a book to help us remember them! We used our popcorn popper to experience all five of our senses. We saw the popcorn, smelled the popcorn, heard the popcorn, touched the popcorn and ate the popcorn! It was a very fun and exciting activity!
