Sterile Processing Technology

West-MEC 2027-28

TWO-YEAR PROGRAM - 900-hour program

- Demonstrate proper sterilization and infection control procedures by cleaning, disinfecting, packaging, and processing medical instruments and equipment according to healthcare safety standards.
- Operate and maintain sterilization equipment such as autoclaves while following quality assurance procedures, documentation requirements, and workplace regulations.
- Develop workplace readiness skills including teamwork, communication, attention to detail, and adherence to patient safety protocols used in healthcare and surgical environments.

PROGRAM REQUIREMENTS*

- Current Sophomore, Junior, and Senior students may apply
- One credit of English with a C or better
- One credit of Math with a C or better
- One credit of Lab Science with a C or better
- A Rubric Score of 42 or above (70 points possible). Rubric scores are calculated by the student's high school counselor.
- Copy of unofficial transcript including second-semester schedule
- Proof of residency in West-MEC district boundaries
- Copy of birth certificate and immunizations/State Exemption Form due at the time of enrollment
- Transportation is not provided by West-MEC. Families are responsible for providing transportation to and from West-MEC.

*Program requirements are subject to change per industry age restrictions, credentials requirements, and administrative discretion.

*Students who do not meet program requirements or have a rubric score of 41 or below will be placed on a Student Success Action Plan (SSAP). High School counselors will work with the student to develop an SSAP for consideration of acceptance at the end of semester two, based on program availability.

Meeting program requirements does not guarantee enrollment.

IMMUNIZATION REQUIREMENTS

- Proof of current Immunizations OR an AZ State Exemption Form are required
  - If an AZ State Exemption Form is submitted, a West-MEC Acknowledgement Form must be signed.
- Immunizations may be required for externships in health care settings.
  - Some credentials in this program may require externship completion.
- Immunization may be required for employment in health care settings.

COST REQUIREMENTS

Upon enrollment into the program:

- $150.00 non-refundable registration fee includes enrollment processing, supplies, CTSO Membership, and uniform shirts. Other uniforms/supply requirements are the responsibility of the student. Registration fees are non-refundable.
  - CTSO Leadership development training is embedded through membership and participation in the Career and Technical Student Organization | HOSA.

Optional Costs:

- It is recommended students have access to a personal computer and reliable internet outside of class to complete assignments and projects.

Tuition requirements apply to the following students. Details regarding tuition costs are available at Tuition Fees on the West-MEC website.
