****Please note the following trip policies for both Trip A & Trip B****

As students will be traveling with school chaperones six hours away from HHS, we will be enforcing the following policies for your students' safety and for the benefit of the group:

1. Seniors who are not on track to graduate will not be permitted to attend. This includes seniors who will be completing grade repair, credit recovery, or summer school.
2. Seniors who have disciplinary referrals (Level 2 or higher) will not be permitted to attend. No exceptions.
 - a. Again, we will be traveling six hours away from the school and home. If a student engages in inappropriate behavior while we are on the trip, they could endanger themselves or others. We want your students to enjoy themselves, while also being safe.
3. Additionally, students are expected to listen to and follow the directions of chaperones, security, etc. We will be out in a public area. It is imperative that students comply with rules and procedures in all settings. We will have a meeting as we get closer to the trip date that will include going over specific rules at the hotel, on the bus, in the park, etc.

***Because of the deposits required for the trip, especially for the charter buses, refunds will not be issued after the due date.**

If a student:

- changes their mind,
- has a change of plans,
- receives a referral,
- or is no longer on track to graduate,

they will not be able to get a refund after the first date that the money is due (October 30th). This is because that money will no longer be in our account. At that point, we will have begun paying deposits to the charter bus company, Busch Gardens, and in the case of Trip A, the hotel.

Let this be an incentive to seniors to be on their best behavior and to keep their grades up!

****Due to limited seating on the bus and limited space at the hotel, we will only be able to take up to 50 students on Trip A. The first 50 seniors to pay the October 30th deposit will be listed first. Any others after that can be waitlisted (in case someone cannot go or changes their mind), they may choose to attend trip B instead and apply their deposit to that trip, or they may choose not to go at all.**

*****We will keep students updated on how many students have paid the first deposit on each trip. Updates will be made on the Senior Google Classroom.**

******Students who are waitlisted for Trip A can receive a full refund for the first payment if they choose not to go on either trip, however they must send an email, no later than November 2nd, to the following people stating clearly that they are choosing not to attend either trip:**

Mrs. Caitlyn Norton, Head Chaperone and Senior Sponsor

Ms. Sherry Tanner, Bookkeeper
