

Welcome to Valley View!

Dear Families,

Valley View Elementary is a school-wide Title 1 school. We provide resources and personnel to improve the learning of ALL students. A Title 1 school-wide program allows the school to address the educational needs of students living in a community with economically disadvantaged elementary school populations of 40% or greater. As a Title 1 School-wide program, our Title 1 services provide comprehensive strategies for improving the entire school so every student achieves high levels of academic proficiency.

Some children may need extra help with literacy learning, so we provide intervention for students whose needs rise to that level. We meet with those students outside of the classroom in a small group setting. Here are some of the many skills students learn during intervention lessons: Letter names & sounds, segmenting & blending sounds in words, handwriting, phonics skills, sight word learning, vocabulary building, writing a message, spelling, and comprehension skills. The Title I Literacy Interventionists at Valley View are [Ann Brennenstuhl](#), [Stacie Schabow](#), [Renee Vandenberg](#), and [Deb Patterson](#). The Ashwaubenon Literacy Coordinator is [Angie Kelly](#).

We encourage family involvement in all of our students' educational experiences. We provide opportunities to engage with the school community through monthly family events, Parent/Teacher Conferences, and Parent Teacher Organization (PTO) meetings held on the second Tuesday of each month. If you have any questions or concerns, please feel free to contact us at Valley View Elementary School, (920) 492-2930. We wish you and your family a year filled with lots of learning, friendship, and fun at Valley View!

Sincerely,

Ann Brennenstuhl, Deb Patterson, Angie Kelly, Renee Vandenberg, and Stacie Schabow
