

JOIN OUR SCHOOL IMPROVEMENT COUNCIL (SIC)!

Starfish Leaders Make Ripples

Help Shape the Future of Broad River Elementary

Parents, guardians, and community members are invited to serve!

What is a School Improvement Council (SIC)?

The School Improvement Council is a team of parents, educators, and community members who work together to support student success, strengthen family engagement, and help guide school improvement efforts.

As an SIC member, you can:

- Share ideas and provide parent input
- Learn about school goals and achievement efforts
- Support family and community involvement
- Help identify opportunities for growth
- Partner with school leaders to make a positive impact on students

Why Join?

Your voice matters! When families, schools, and communities work together, students thrive. The SIC provides an opportunity to be part of meaningful conversations and decisions that support our school.
