Why Wesleyan should be your first choice.

We understand that sending a child to private school is a significant investment for your family. Before you make any decisions, be sure you know how much tuition *actually* costs.

Things to consider when shopping for an independent school.

At Wesleyan, we are transparent about the total cost of education for your child. Use the charts below to compare the true cost of tuition to other schools in the Atlanta area by filling out the information. The information is based on data for the 2026- 2027 school year.
