Parent Portal

How to Find the Campus Backpack on the Infinite Campus Parent Portal

Once you have logged into the Parent Portal:

The screenshot shows the Infinite Campus Parent Portal interface. On the left is a dark sidebar menu with options: Message Center, Today, Calendar, Assignments, Grades, Grade Book Updates, Attendance, Schedule, Academic Plan, Documents, and More. A red arrow points to the 'More' option. The main content area has a 'Back' button at the top. Below it is a 'More' section with a 'Backpack' link, which has a red arrow pointing to it. Further down is an 'Address Information' section with a dropdown for 'Student Name'. Below that is an 'Important Dates' section with links for 'Documents', 'Guidance Letters and Information' (with a red arrow pointing to it), and '3-6 Assessment Score Reports'. Below the 'Important Dates' section is a 'Lockers' section. At the bottom of the main content area is a 'Backpack' link with a red arrow pointing to it. At the very bottom of the screenshot, there is a note: 'Please Click on "Guidance Letters and Information" to view any correspondence from Guidance. To Print Permission Slips, etc. please DOWNLOAD, SAVE, OPEN and then PRINT Document.'

Please Click on "Guidance Letters and Information" to view any correspondence from Guidance.

Report cards and documents can be found in the Parent Portal Backpack.

Security

Our approach toward safety in our schools is to be prepared. Have a plan in place, practice the plan regularly and review it yearly.

The district utilizes a visitor management system called Raptor . All guests, including parents/guardians, will be required to provide a government-issued ID (like a driver's license) on their first visit to a building.
