*****Permission Slip for New Jersey State House Field Trip*****

Dear Parents/Guardians,

This permission slip grants permission for your child to attend the New Jersey State House Field Trip on their assigned day: Wednesday, November 18, 2026, or Friday, November 20, 2026 (either day). During this trip, students will participate in a guided tour of the State House and the Make-a-Law program, each lasting about one hour.

Students should either bring their own lunch or obtain lunch from the Liberty Middle School cafeteria before we depart. We will have lunch at the State House (**students will not be allowed to purchase food on site**) after the programs, around 12:30 PM.

This trip directly supports the 7th Grade Civics curriculum by allowing students to see the House of the State Legislature and learn how a law is passed through the Legislature.

The cost of the trip is \$10.00 per student. Payments can be made via check, money order, or cash. Please make checks and money orders payable to Liberty Middle School. Please put your child's full name in the memo. Permission slips and payment are due to advisory teachers only, by **Tuesday, October 27, 2026**. Late permission slips or verbal confirmations will not be accepted.

Thank you for your cooperation.
