

Superintendent Search & Leadership Transition

Post Falls School District Superintendent Anna Wilson has announced her retirement at the end of the 2026–2027 school year. To ensure a seamless leadership transition, the Board of Trustees is initiating a comprehensive search process to select the district's next superintendent.

Community involvement is a cornerstone of this search. The Board invites staff, parents, and community members to share their perspectives on the key characteristics, skills, and qualifications our next district leader should possess. Information gathered through stakeholder feedback will directly inform the Board throughout the selection process.
