

Avon Middle High School

BOOSTERS

The Boosters is a parent volunteer organization that unites students, parents, coaches, faculty, staff, alumni and community in a way that enhances school spirit and provides financial support for our growing academic, athletic, fine art and school spirit programs.

We are fortunate in Avon to not have sports or activities fees, and many opportunities for students to be involved in sports, music, drama, and many more enrichment programs. The goal of Boosters is to support the extra needs of these programs along with teacher requests, homecoming dance, awards nights / event refreshments, teacher appreciation, student & senior recognition, senior scholarships and much more. The more funds we raise, the more we can do for the students to ensure their time at AMHS is rewarding, and the best it can be.

Our organization runs on your generosity. Please complete the form below and return with your contribution to help us continue to build up programs to enrich the lives of our children. If unable to donate at this time, we would appreciate you returning the form so that we can keep you informed on upcoming events / activities.
