PEEK of the MONTH September

Counselor's Note

I am so grateful to be your child's school counselor. For the month of September, I am completing classroom lessons and minute meetings with Pre-K, Kindergarten, 4th grade and new star students. I am here to help and support.

Learning Focus

During the month of September, morning meetings will focus on the PurposeFull People Character Strong Trait of RESPECT. Classroom counseling lessons will focus on BULLYING PREVENTION. Pre-K through 2nd grade are taught the bullying definition: hurtful and repeated behavior. 3rd and 4th grade's definition is hurtful, repeated behavior that involves an imbalance of power. Both definitions emphasize that since the behavior is hurtful and repeated, it is also intentional. Stop, Support, Report is the strategy taught school-wide on what to do if they spot bullying.

Important Dates/Events

September 7- Labor Day Holiday
September 21 Student Holiday
September 22-25 Start with Hello Week

Important Reminders

- Not All Conflict Is Bullying. Repeated, hurtful, intentional conflict with an imbalance of power is bullying.
- Conflict resolution is an important social skill that is still developing. Being assertive is key.
- How You Can Help at Home: Practice with your child and encourage them to speak up when someone says or does something they do not like. This helps them develop the confidence to handle conflicts appropriately. "Stop," "No," "I don't like that," "That was unkind."

RESPECT Family Newsletter

PurposeFull
People

Respect Overview

This month's focus is Respect. One way to think about Respect is "seeing value in all people and things & treating them with care." Many people feel Respected in different ways. We hope this month inspires discussions with your family about what Respect means to you and how you can practice it together!

Respect is 1 of 3 traits we will focus on throughout the year that helps students **Be Kind**. Across grade levels, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Conversation Starters

- Can you share or show what Respect means?
- What is 1 way you have practiced Respect lately?

PurposeFull Pursuits

Have some fun connecting as a family this month while practicing Respect. Here are 2 "PurposeFull Pursuits" you can complete together!

#1 A fun way to remind students to show Respect to others is to create a non-verbal cue. As a family, come up with a non-verbal way to cue your student to remember to show Respect to others. An example of this would be anytime you raise the "Respect Rooster" on your hand by closing the middle 2 fingers and bringing your pointer finger and pinky finger up, your student would be reminded to practice living out Respect.

#2 Review Respect as a family! In our lessons we are teaching that Respect means to see value in people and things and treat them with care. Agree as a family to set aside a certain time each day this week to unplug from devices and plug into family time. It shows Respect to practice being present in the moment without the distractions that can come from technology. Debrief and discuss this challenge afterward. Consider to embracing this practice at least 1 day each week!
