WE'RE HERE TO SUPPORT YOUR FAMILY

McKinney-Vento Support

Sometimes families experience changes in their housing situation. If that happens, you're not alone, and your child's education shouldn't have to be interrupted. Waller ISD can help families who may be experiencing housing instability with:

- School enrollment & access
- Transportation support
- School supplies & educational needs
- Connections to community resources
- Support to help students stay on track

Not sure if you qualify?
Just ask! Our team can help you understand your options and connect you with the support your family needs. Your family's situation does not have to be permanent to ask for help.

If you have any questions or concerns, please reach out to Dr. Guerra at dguerra@wallerisd.net or at (936) 372-0161.
