ABOUT SEISEN INTERNATIONAL SCHOOL

Established in 1962, Seisen International School is a Catholic full IB Continuum international school that provides a co-educational PYP/Montessori Kindergarten and an all-girls education for Grades 1-12.

Our high school program prepares young women for higher education through a comprehensive and challenging program of study. The curriculum's language of instruction is English and all students are encouraged to communicate in English within the school. All students are expected to demonstrate excellence in terms of both character development and academic achievement.

A broadly international faculty, principally trained in the U.S., the U.K., Canada, and Australia, and small class sizes, allow for close faculty-student relationships, which promote a supportive learning atmosphere.

Students participate in a wide range of extra-curricular multidisciplinary activities including athletics, liberal arts, fine arts, performing arts and STEAM. As a member of the Kanto Plain Association of Secondary Schools, students also have the opportunity to participate in competitions with other peer international and DoWEA schools.

Seisen International School is accredited by the Council of International Schools, the New England Association of Schools and Colleges and is a member of the Japan Council of International Schools.
