PROPOSAL#4

Periodically particular schools require an additional pick-up due to circumstances that create excessive trash. These circumstances usually revolve around holiday festivities, teacher/custodial clean up before vacation periods and large events. This proposal should reflect a "per yard" cost of a single additional pick-up.

Note: Additional service must be supplied within 24 hours of request.

PROPOSAL#5

Periodically the District requires the need for a roll-off container for major cleanup projects both inside and outside of a particular building consisting of assorted construction debris free of hazardous waste. The proposal should reflect just the cost of a single roll-off container.

Note: Additional service must be supplied within 24 hours of request.
