

Announcing!

A district wide **SEPTA (Special Education PTA)**

A parent-led organization dedicated to supporting families of students with disabilities across our district. We believe families of students with IEPs and 504 plans benefit from a connected, informed, and supportive community — one that spans all schools, not just one.

What We'll Do

Advocacy, inclusion opportunities, education/parental development workshops, connection and community-building, raising awareness, providing resources

**Informational Meeting
Coming Soon**
