Tips for Parents: Parent – Teacher Conferences

As parent-teacher conferences are being scheduled either virtually or in person, here are some helpful tips to ensure a successful conference for you and your child.

Before the Conference

- Ask your child if there's anything they want you to talk about with their teacher.
- Let your child know the meeting is to help them do their best.
- Write down anything you want to ask or talk about with the teacher.

During the Conference

- Try to be on time (or a little early).
- Keep the meeting on schedule so others can have their turn.
- Be yourself and stay calm.
- Ask your most important questions first.
- If your child gets extra help at school, ask how they're doing in those classes.
- If something is confusing, ask the teacher to explain.
- Ask how you can help your child at home.
- Say thank you to the teacher!

After the Conference

- Talk with your child about what happened in the meeting.
- Share the good news and talk honestly about any challenges.
- Let your child know about any plans you and the teacher made.
- Keep in touch with the teacher during the school year.

Durante la Conferencia

- Intenta llegar a tiempo (o un poco adelantado).

- Pregunta cómo puedes ayudar a tu hijo en casa.
- ¡Dale las gracias al profesor!

Después de la Conferencia

- Habla con tu hijo sobre lo que ocurrió en la reunión.
