SPANISH EXCHANGE TO MADRID

What is it like to live with a host family and truly immerse yourself in everyday Spanish life? Join the annual Spanish exchange with Colegio San Agustín in Madrid to find out, and step outside your comfort zone. Strengthen your Spanish language skills, deepen cross-cultural understanding and build lasting connections with local students. Beyond the capital, explore the historic cities of Toledo and Segovia, home to ancient streets, stunning architecture and rich cultural heritage. Current Grade 9-12 students eager to improve their Spanish language skills through real-life immersion and want to experience the daily life of another culture should apply. Applicants should be open-minded, curious about global perspectives and excited to live with a host family.
